Friday 14th November 2025

Year 6 class assembly

Year 6 launched our class assemblies for the year. They gave a brilliant presentation about the Victorian Era and the Industrial Revolution through song, drama and fact sharing. Very well-done Year 6 and of course thanks are expressed to Mrs Weikert and Mr Glynn who supported the children in their assembly.

Year 5 class assembly will be taking place on Wednesday 10th December.

Antibullying Conference

Some of the year 5 children attended the antibullying conference at Westhoughton High School this week. It was a full day of workshops and presentations which the children thoroughly enjoyed. They learned about cyberbullying, made 'kindness' boxes for someone special in their lives and learnt about being a 'bystander' or an 'upstander'. They are planning to continue to be kindness ambassadors around school- watch this space!

Enjoying lunch in the Autumn sunshine!

Jonnie from 'Kept Fit', who has been leading before and after school sports clubs for many years will be leaving us at the end of next week. He has worked with so many children, encouraging their skills and self-confidence. If you would like to contribute to a collection taking place then please do send the money into school in an envelope marked for Jonnie. We plan to buy him a 'one and all' gift voucher.

Trips and Visits.

As you are aware any local visits, previously made, the children took the public transport. However, as your child's safety is of paramount importance, the school will now book private transportation. I realise this occurs a greater cost and so families will be asked to make the necessary contributions in order that the trip can take place. In light of recent events on public transport, keeping your child safe is our priority and takes upmost importance.

Parent Governor

The governors are looking to recruit a parent governor. A letter was sent home earlier this week on school spider giving information about this. If you are interested, please contact the school office for a nomination form and declaration of eligibility form.

Music Gala

On Monday 15th December from 2.30pm we are going to have a Festive Music Gala giving our children their opportunity to showcase their musical talent. A letter for children participating will be sent home inviting families to come along to watch. If your child plays a musical instrument outside of school then please do let Mrs Abram know as they can join the Musical Gala!

Events coming up...

Your help at these events would be very much appreciated.
