### My Happy Mind

It is great to hear that so many families have downloaded the app for the new programme, which we have recently introduced across school. I do encourage you, if you haven't already, to download the parent app so that you can engage with the programme with your child. The children will be encouraged to learn all about their brain- ask *them* about *Team HAP!* To access these materials just go to <https://myhappymind.org/parent-resources> to create your free account. You will need to enter your name, email, and authentication code.

### Big Garden Birdwatch

Very well done to those children who managed some bird spotting at the weekend. We will submit all the data we received to the RSPB. Thank you

Please check out some of the great bird spotting photos on our Facebook page – **St Andrew's OH Primary School**. **If you do get chance to go on the Facebook page please like and add comments to our posts.**

### Can you help?

Grace is a former pupil at St Andrew's school. Grace is Mrs Weikert's daughter and she is fundraising for her volunteering trip to Tanzania where she will be working with the community and volunteer projects that support local children, education and conservation. In order to fundraise for this trip Grace will be climbing the equivalent of Kilimanjaro on a treadmill, the equivalent of 35,000 steps! If you can offer your support, please click on the link to make a donation.
