

Following in the footsteps of Jesus, we learn, love and laugh together

ST LUKE'S WEEKLY NEWSLETTER

Headteacher's Message

Friday 9th October

Dear Parents and Carers,

Today we celebrate the Feast of St. John Henry Newman. John Henry Newman was an English cardinal and theologian in the nineteenth century. He was renowned as a gentle, wise and courageous priest who showed great pastoral care for those living in poverty. Saint John Henry Newman fulfilled his mission to love God and serve others throughout his lifetime. By following his example, we too can become missionaries of God's love, showing kindness, compassion and service to those around us each day.

Mission Together

FACT ONE

Saint John Henry Newman cared for the poor Irish families who had fled the famine in Ireland.

How will you show God's love to people who have fled their homes?

missio

Over the coming week, we would like to follow in his footsteps by thinking of the needs of others. Our Cafod group would like to request donations of tinned, and packet food which they intend to donate to the Frodsham foodbank. Our shopping basket will be left outside the main entrance ready for donations. Thank you!

Multi-Sports

Year 3 and Year 4 had a fabulous time representing St. Luke's at the Frodsham and Villages Multi Sports Event this week.

The children took part with great enthusiasm and demonstrated excellent teamwork, sportsmanship and determination throughout the event. It was wonderful to see so many pupils trying new activities, encouraging one another and fully embracing the experience.

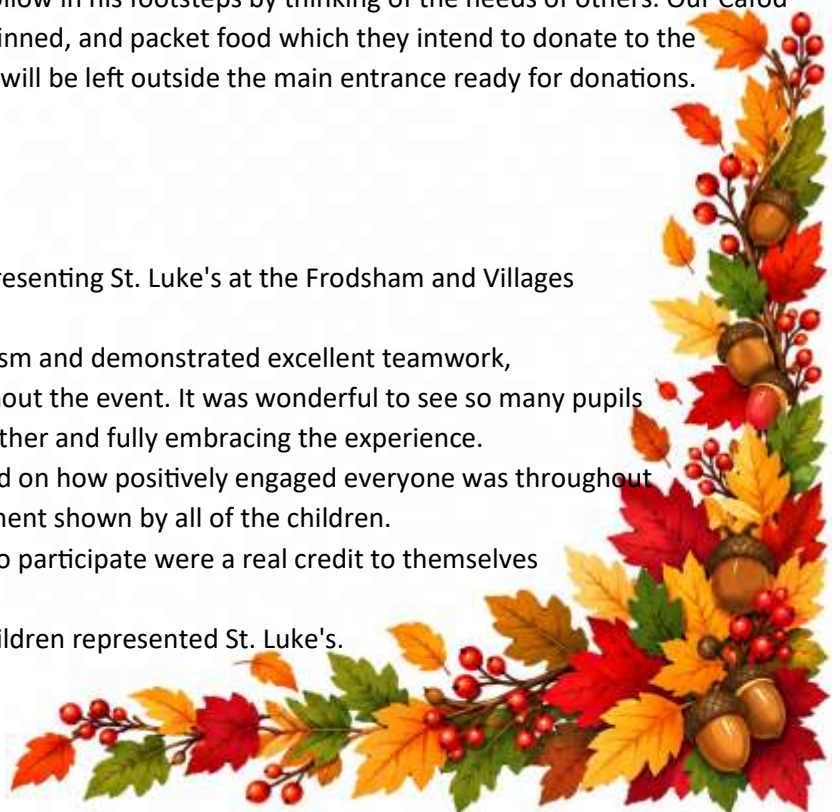

Miss Jones, their class teacher, commented on how positively engaged everyone was throughout the day and noted the tremendous enjoyment shown by all of the children.

Their behaviour, attitude and willingness to participate were a real credit to themselves and to our school.

We are incredibly proud of the way the children represented St. Luke's.

Wishing you an enjoyable weekend.

Eileen Murtagh

ATTENDANCE

Overall Attendance this week is **97.17%**

Across the school, **121 minutes** of learning time was lost this week through late arrivals.

Don't underestimate the importance of 100% attendance. Even one day missed can have an effect on learning.

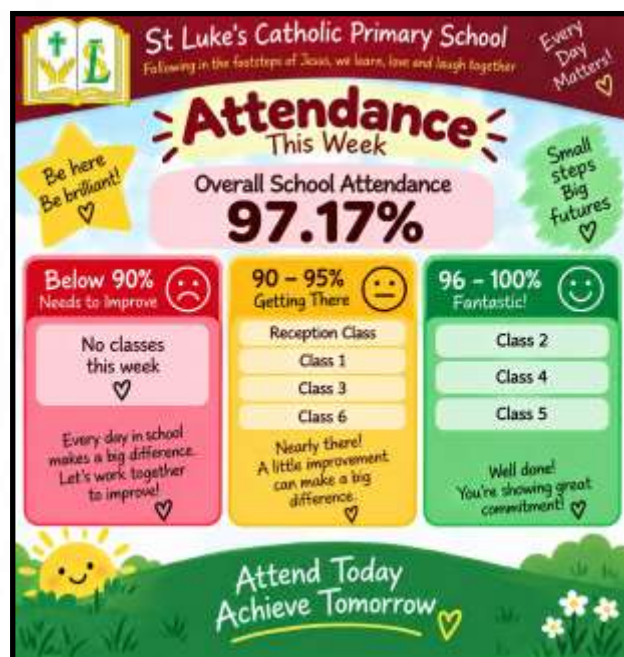

98% attendance means **4** school days missed

95% attendance means **10** school days missed

90% attendance means **19** school days missed

80% attendance means **38** school days missed

5 minutes late each day means **3** school days missed

Please be aware that requests for children to take holidays during term time will be classed as an unauthorised absence.

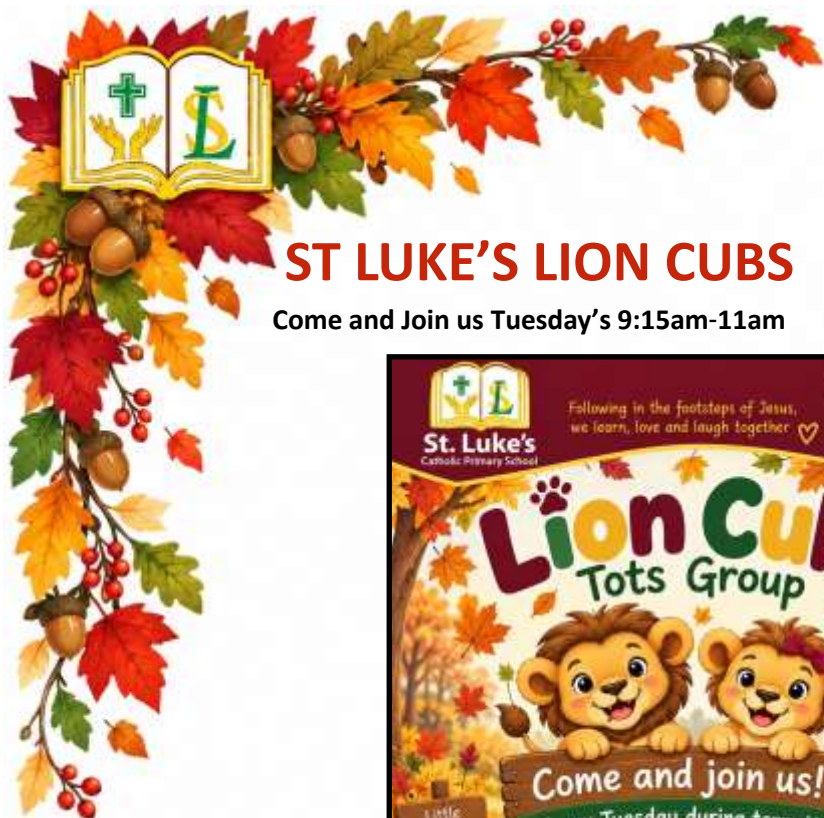

Please be aware that unauthorised absences that exceed 5 school days during term time will receive a fixed penalty notice (FPN).

Reminder - Dental or medical appointments

If you will be taking your child for an appointment please send us an email with the booking/screen shot for our files. Thank you

WALSINGHAM CLASS

It has been another busy and exciting week of learning!

English

We have continued to be inspired by our wonderful book *Look Up!*. The children have been investigating a model diary written from the perspective of Mae Jemison and exploring the features of a diary. They have been busy planning and sectioning their own diaries, ready for their independent writing. We can't wait to see their ideas come to life!

Maths

Our mathematicians have been working hard across the year groups. In **Year 1**, we have been exploring part-whole models. **Year 2** have been developing their understanding of the 2s, 5s, 10s and 3s times tables, as well as exploring fact families. In **EYFS**, the children have been matching dominoes to numbers and developing their number recognition and counting skills.

Science

We have been learning all about trees! The children have been investigating different types of trees and identifying the different parts of a tree, including roots, trunk, branches, leaves and buds. We have enjoyed looking closely at the natural world around us and developing our scientific vocabulary.

History

We have continued our learning about the incredible Florence Nightingale. The children took part in a fun glitter germ activity, helping them to understand how germs can spread and why cleanliness and handwashing are so important. It was a great way to bring our history learning to life!

What a fantastic week of learning, curiosity and discovery!

LOURDES CLASS

The children have had a fantastic week and have worked really hard in all of their lessons. They had a fantastic time taking part in a multisport afternoon at Frodsham Leisure Centre, enthusiastically joining in with all the activities, working hard as a team and encouraging one another throughout. There were plenty of smiles and lots of fun!

In computing, the children are focusing on emails and are becoming increasingly confident and adept at sending emails safely and responsibly. This week, we created some rules on how to ensure emails you receive and send are safe.

In English, we started our independent write and used a range of resources to help us, mainly thesauruses. The children are becoming more confident using these to improve their writing and increase the use of ambitious vocabulary.

KNOCK CLASS

It has been another fantastic week in Knock Class, with plenty of opportunities to explore new ideas, develop our skills and deepen our understanding of the world around us.

This week, we became explorers of the world as we developed our map-reading skills by locating mountains from across the globe and using grid references to identify their locations accurately. We enjoyed putting our knowledge into practice while discovering more about some of the world's most impressive landscapes and natural wonders.

As part of Black History Month, we have really enjoyed learning about inspiring individuals who have made a lasting impact on the world. During our whole-class reading sessions, we explored the lives of Rosa Parks and Nelson Mandela, and their stories encouraged us to find out more. We carried out our own research and created informative leaflets, giving us a meaningful purpose for our writing while sharing our learning. We also explored a timeline of significant events in Black History, drawing on the historical skills we have developed in history lessons to help us understand why these moments are so important.
