

Information & dates for parents and carers 8th December 2025

Dear Parents and Carers,

The stage is up and the festive season has now begun in school. We've got lots of concerts and events to share in the next two weeks as well as finishing off all our learning topics. It's been Design Technology Project week this week and the children have challenged themselves to design and make a variety of structures and craft items. I would like to thank Year 6 parents and pupils for the fantastic trombone concert on Monday. It was so well attended and the children were on top form.

Year 5 Trip to the Lowry Art Gallery - we all had a wonderful day exploring the L.S Lowry art exhibition as part of our Cityscapes topic. The children were really immersed in studying a local artist, who was known for his cityscapes. Thank you to the parent volunteers who came to help out, making it possible to access the opportunity on the tram - it was really appreciated.

Girls' Football tournament - We took a team to Fives for a Winter Football Tournament on Friday and the girls did brilliantly against some excellent opposition. We were competitive in every game and scored some amazing team goals, mainly finished by Alex who deservedly was awarded 'Player of the Tournament' but as we said to the girls, she couldn't have done it without her team behind her. It was the first time we'd worn our brand new 'Octopus' sponsored kit too - we were the smartest team there!

Important message re: clubs - All After School activity clubs have now finished except the Friday football which runs this week only. Please collect your child at the normal time

Reminder - please can you be mindful of parking outside school and the surrounding roads. Some residents have had their cars blocked in making them late and their own children late for school.

Thank you for your support as always. Mrs Nunwick and all the staff & governors at MoPPS

Regular reminders

Breakfast and After school club - Please can parents book their breakfast and after school club slots on ParentPay. We can still assist if you have an emergency. We now have two after school club sessions, one ending at 5.00pm and one ending at 6.00pm. **Please ensure children are collected and off the premises during the time slot you booked them into.**

Regular late pick-ups risk losing their place.

Collecting children - Please can parents ring the office to notify staff if their child has an appointment. You will need to show the office staff a copy of the appointment card or text message. If someone else is collecting your child, please contact the school office before 3.00pm.

If your child is unwell (pupils should only be off for something that needs more than 'calpol and tissues' as this helps them develop good habits) **or is absent from school for an exceptional circumstance** - It is very important that you either please ring the school office and either speak to a member of staff or leave a voicemail on the absence line giving the specific reason/illness (**Option 1**) by 9.30am.

Inhalers - please can you make sure you have sent your child with an in date, named inhaler if they require one. The school officer also has forms for use of the emergency inhaler if it is required.

<p>PE Weekly Timetable Autumn Term 2 *Reminder* We try to get outside if it is dry so leggings/jogging bottoms are better than shorts this half term. PE kit - grey or black or navy blue plain leggings/jogging bottoms or shorts, white t-shirt, with a red cardigan/jumper over the top to look smart all day</p>
