

## Information & dates for parents and carers 6th July 2026

Dear Parents and Carers,

**Move Up Morning** - Lots of changes this year with staff moving around the school! The children started in the Assembly halls then their new teacher took them to their classroom and had a great morning learning all about them. I know that the pupils going into Year 3 were really excited about going onto the new playground and field! We've got a few extra transition opportunities this year for all our children this year to ensure a smooth handover.

**Jewellery reminder** - hoops and dangly earrings, necklaces and bracelets have been creeping back in and these are not allowed for health and safety reasons. Please check your child before they leave for school. Items such as these will be removed, kept in the office and returned to you at the end of the day.

### Year 4 Linking School Project -

The Linking Schools project has given Year 4 the chance to make new friends, grow in confidence and enjoy learning about other communities. During the project, we visited and hosted another school from the Stockport area. It has been a positive experience that has encouraged kindness, teamwork and respect for others. Once again our behaviour was excellent - it's the Moss Park Magic!

**School Fair** - we are still looking for volunteers - even if you can give up an hour in between going round with your child or help setting up/putting away that would be great. Also any last minute donations for the luxury hampers or raffle prizes would be very welcome!

Please don't forget to collect **coins** to bring to the fair rather than notes. We don't have big floats and many stalls are run by the children.

*Thank you for your support, Mrs Nunwick and all the staff at MoPPS*

**Regular late pick-ups risk losing their place.**

**Collecting children** - Please can parents ring the office to notify staff if their child has an appointment. You will need to show the office staff a copy of the appointment card or text message. If someone else is collecting your child, please contact the school office before 3.00pm.

**If your child is unwell** (pupils should only be off for something that needs more than 'calpol and tissues' as this helps them develop good habits) **or is absent from school for an exceptional circumstance** - It is very important that you either please ring the school office and either speak to a member of staff or leave a voicemail on the absence line giving the specific reason/illness (**Option 1**) by 9.30am.

**Inhalers** - please can you make sure you have sent your child with an in date, named inhaler if they require one. The school officer also has forms for use of the emergency inhaler if it is required.
