

Information & dates for parents and carers 14th September 2026

Dear Parents and Carers,

Looking ahead to the week

We've got our popular **Welcome Meetings** on Tuesday. We run two short meetings - one at 3.35 pm and one at 4.05 pm. This means you can get to two different classes. Leaders and support staff will guide you round school. You'll receive your child's 'Boarding Pass' (this outlines the class novels, the trips and enrichment activities for the year) and 'Pupil Passport' (this outlines the year group expectations in Reading, Writing and Maths). On top of the Curriculum Information Sheet you received, we hope that you feel fully informed about what your child is learning in school. Later on this month parents and carers in the early years and year 1 will be able to visit their child's class and learn and play alongside them. We have a phonics and early reading focus and there will be some parent workshops announced for that week too.

Appointments during the school day

Since we returned from the holidays we have seen an increase in *routine* dentist and doctors appointments, please can we ask that these appointments are booked in the holidays or after school?

Crucial Crew

This week, Year 6 took part in a brilliant visit to Crucial Crew Trafford to learn about staying safe in the wider community. Pupils engaged in interactive workshops and talks led by the Transport Police, the Road Safety Team, local Magistrates, and the TravelSafe Team. It was an invaluable experience that helped equip our Year 6 pupils with key safety knowledge and practical life skills.

Thank you for your support, Mrs Nunwick and all the staff at MoPPS

Regular reminders

Breakfast and After school club - Please can parents book their breakfast and after school club slots on ParentPay. We can still assist if you have an emergency. We now have two after school club sessions, one ending at 5.00pm and one ending at 6.00pm. **Please ensure children are collected and off the premises during the time slot you booked them into.**

Regular late pick-ups risk losing their place.

Collecting children - Please can parents ring the office to notify staff if their child has an appointment. You will need to show the office staff a copy of the appointment card or text message. If someone else is collecting your child, please contact the school office before 3.00pm.

If your child is unwell (pupils should only be off for something that needs more than 'calpol and tissues' as this helps them develop good habits) **or is absent from school for an exceptional circumstance** - It is very important that you either please ring the school office and either speak to a member of staff or leave a voicemail on the absence line giving the specific reason/illness (**Option 1**) by 9.30am.

Inhalers - please can you make sure you have sent your child with an in date, named inhaler if they require one. The school officer also has forms for use of the emergency inhaler if it is required.

Privacy Notice - Details about how the school processes and safeguards personal information are set out in our Privacy Notice, available here [MoPPS GDPR](#).
