

Information & dates for parents and carers 19th October 2026

Dear Parents and Carers,

Year 3 Lowry Trip - Our Year 3 pupils had a wonderful time exploring The Lowry this week! The children dived into the famous world of L.S. Lowry, showing incredible creativity in their art workshop and asking brilliant questions during the gallery tour. A real highlight of the day was stepping directly into his work through the amazing Lowry 360 immersive experience.

Late Gate - It's Late Gate all next week, Mrs Nunwick and Mr Boyer will be on the gate to speak to you with advice and support. Remember, the gates open at 8.40 am and the children are in class doing learning activities from 8.45 am. The gates are locked at 8.55 am.

6T Bikeability - 6T had a fantastic week successfully completing their Bikeability training, demonstrating great determination and enthusiasm throughout. The children who took part gained valuable road safety skills and boosted their cycling confidence as they learned how to navigate local roads safely. It was wonderful to see their progress, and they should all be very proud of their achievements.

Ordering School Dinners - we have had a few queries from new parents so wanted to remind you that for logistical kitchen reasons, we don't have a halal meat option on our menu dinners. You can check all the ingredients used in making your child's school dinners on School Grid - click on the  for ingredient information on the meal ordering page.

Thank you for your support as always, Mrs Nunwick and all the staff at MoPPS

Regular reminders

Breakfast and After school club - Please can parents book their breakfast and after school club slots on ParentPay. We can still assist if you have an emergency. We now have two after school club sessions, one ending at 5.00pm and one ending at 6.00pm. **Please ensure children are collected and off the premises during the time slot you booked them into. Regular late pick-ups risk losing their place.**

Collecting children - Please can parents ring the office to notify staff if their child has an appointment. You will need to show the office staff a copy of the appointment card or text message. If someone else is collecting your child, please contact the school office before 3.00pm.

If your child is unwell (pupils should only be off for something that needs more than 'calpol and tissues' as this helps them develop good habits) **or is absent from school for an exceptional circumstance** - It is very important that you either please ring the school office and either speak to a member of staff or leave a voicemail on the absence line giving the specific reason/illness (**Option 1**) by 9.30am.

Inhalers - please can you make sure you have sent your child with an in date, named inhaler if they require one. The school office also has forms for use of the emergency inhaler if it is required.

Privacy Notice - Details about how the school processes and safeguards personal information are set out in our Privacy Notice, available here [MoPPS GDPR](#).
