

Information & dates for parents and carers 2nd November 2026

Dear Parents and Carers,

As we reach the end of the half term I wanted to say thank you for your support for your child and our school. We have a great community here and I feel like we go from strength to strength together. Our new teachers have settled in brilliantly, bringing fresh energy and expertise to an already fantastic team - and I can say the same about the pupils who have joined us from other schools (sometimes after a very long time on our waiting lists). Here's to an enjoyable well deserved break after a successful start to the year!

"You said, We Did" - After feedback from parents, we are refurbishing our Reception class toilets to remove the urinals (in the boys' toilets), provide more cubicles and install smaller toilets more suitable for our younger pupils. This will take place over the half term holidays. Thanks to the parents who raised this with me 😊

Parents' Evening - Once again a superb turnout from our families - 438 children were represented tonight - 95%! Gold star everyone★ We hope that you were pleased with the feedback from the teachers. We do an extra Parents Evening at the end of the spring term so you will have another chance to look at your child's books and see their progress.

6C Bikeability - 6C had a brilliant week successfully completing their Bikeability training this week, showing impressive focus and teamwork every step of the way. The pupils built up their cycling confidence and learned key road safety skills. All who took part worked exceptionally hard and can all be proud of earning their cycling certifications!

Greater Manchester Fire Service Visit - Year 6 enjoyed an exciting and informative visit from Greater Manchester Fire Service who spoke to the children about important bonfire night safety. The pupils loved getting a close-up look at the firefighters' gear and exploring the fire engine while learning how to stay safe.

Year 5 & 6 Girls Football - An outstanding start to the first round of our Year 5/6 girls tournament where we remain undefeated. The level of team work and support for each other is growing with each game.

Have a lovely half term holiday and see you all on the 2nd, Mrs Nunwick and all the staff at MoPPS

Regular reminders

Breakfast and After school club - Please can parents book their breakfast and after school club slots on ParentPay. We can still assist if you have an emergency. We now have two after school club sessions, one ending at 5.00pm and one ending at 6.00pm. **Please ensure children are collected and off the premises during the time slot you booked them into. Regular late pick-ups risk losing their place.**

Collecting children - Please can parents ring the office to notify staff if their child has an appointment. You will need to show the office staff a copy of the appointment card or text message. If someone else is collecting your child, please contact the school office before 3.00pm.

If your child is unwell (pupils should only be off for something that needs more than 'calpol and tissues' as this helps them develop good habits) **or is absent from school for an exceptional circumstance** - It is very important that you either please ring the school office and either speak to a member of staff or leave a voicemail on the absence line giving the specific reason/illness (**Option 1**) by 9.30am.

Inhalers - please can you make sure you have sent your child with an in date, named inhaler if they require one. The school office also has forms for use of the emergency inhaler if it is required.

Privacy Notice - Details about how the school processes and safeguards personal information are set out in our Privacy Notice, available here [MoPPS GDPR](#).
