

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 12th September, 2025

This week has just flown by- we started the week with an assembly all about Tattenhall Village Show, which had happened the previous day. We shared some really wonderful pictures of exhibits entered by some of our children - there was even an exhibit all about the adventures of Bernard Bee! During the show, we won three prizes for our school garden produce and had lots of fabulous entries and prizes in the children's section. Some of our children even entered the adult sections and won prizes for; tomatoes, cucumbers, sweet peas and even cacti! We are very grateful to our gardening team for helping us with our produce this year and to the Gardening Society for involving the school in the show. We certainly have plenty of green fingers; talented crafters, cooks and artists in our school.

Tough Runner Adventures ...

Today, we had the most exciting time on the Tough Runner course. Miss Foreman and Miss Comish were keen to introduce this amazing challenge to the children and organised a wonderful event. The children were so enthusiastic and absolutely gave it

their all. Our value this term is '**courage**' and we certainly saw plenty of examples of this being shown today! It was really lovely to hear the feedback from the Allstars coach, who ran the event. He said that he had worked with over 10,000 children and he had never seen such supportive and enthusiastic children. He was particularly impressed with our Year 6 children, who gave such amazing encouragement to their buddies in Acorns.

Heber Cross Country

Well done to all our pupils who took part in the Heber Cross Country yesterday, Miss Foreman and Miss Comish said you were absolute superstars and battled through the weather to come 2nd overall. Just amazing! Thank you to Miss Comish, Miss Foreman and our supporting parents for cheering the team on even when it was pouring with rain!

Meet the teacher - Thursday 18th September 3.15pm -4.45pm

Teachers have now uploaded PowerPoints detailing key information about the year to the school website. If you would like to pop along after school on the evening of the 18th September, there will be refreshments (**and cake**) and an opportunity to chat to all the class teachers informally about any questions you have about the year ahead. This is a drop in session rather than a formal presentation, so please read through the PowerPoint before attending.

Name the village competition! Last day to enter is Monday 14th September.

Can you name our new wooden village? We need an overall name and individual names for each of the five huts - they need to be linked. You might like to use some of your knowledge of our own beautiful village of Tattenhall and the history, flora and fauna within the village to decide on names. We have told the children, that the child with the winning names will win a campfire experience for their class in the huts with Mrs Bolton! Children should draw out their ideas, record an overall name for the village and label each hut and give them to the school office or Mrs Bolton.

Have a super weekend,

Mrs Bolton
