

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 19th September, 2025

Pupil Parliament

On Monday, we marked 'International Democracy Day' by learning about the Houses of Parliament and Emmeline Pankhurst, who campaigned for women to have a right to vote. The children discussed the importance of everyone having a voice in a democratic organisation. We followed this today, with the launch of a new democratic system at Tattenhall Park Primary- our very own 'Pupil Parliament'. The Pupil Parliament involves every pupil and will ensure that all our pupils have a voice in the next step of our school journey. Thank you to Miss Comish and Miss Foreman for introducing this to the school- it is a very exciting initiative.

Tag Rugby

Well done to all our Year 5 and 6 pupils who took part in the Tag Rugby, Mrs Gibson and Mr Cragg said the children were absolutely amazing and were very proud to see them gain a very well deserved third place in the semi-finals.

A few updates:

Trips – Change of procedure

If your child is attending a trip this half term, you will be emailed a letter and medical form to complete using an Evolve online link a few weeks before the trip, instead of a paper letter. We are hoping this system will help us record information more efficiently, in-line with Local Authority guidance. If you need any support with this new system, please do not hesitate to get in contact.

Outdoor areas

You may have noticed that we have had tree surgeon on-site over the past few days. In agreement with the Local Authority, they have removed lower branches of a majority of trees to make it safe for the children. We have also continued work around our new wooden outdoor village, the name will be revealed next week! A footpath has been installed and we have planted trees around the outside for protection.

Parking

Rachel McKevitt, our PCSO will be visiting over the next few weeks to work with the Mini Cops. They will be checking that cars are parking safely at school drop off times - as we have noticed some cars parked on the double yellow and zig zag lines. The children will be designing some new tickets to use - but we are hoping they won't be able to find any cars to put them on!
