

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Tuesday 21st October, 2025

Apologies for the rather belated newsletter!

Acorn challenge

Today, all the children will be bringing home an acorn in an envelope. They were collected by our very own little 'Acorns' and 'Squirrels', who spent a busy afternoon last week gathering acorns from around the school grounds. In assembly, I read the story, 'The Promise', which is about a child who plants acorns to bring beauty to the world around him. The whole school has been challenged to plant their acorn in a special place and watch it grow. We have suggested they discuss this with their families, as some of the ideas for locations in assembly (the middle of the Flacca) might not have been popular choices to plant a new oak tree!

Good luck Mrs Montgomery!

On Thursday, we will be very sadly be saying goodbye to Mrs Montgomery in the office, Mrs Montgomery has an exciting new role working in a hospital as a teaching assistant- we wish her every success and know that she will bring her special brand of sunshine and fun to her new pupils.

Meeting with David Walliams

Some of our lucky pupils met David Walliams on Sunday and listened to him read from his new book - 'Santa and Son'. This was a very last minute kind offer from Lingham of Heswall and we know lots more of our children would be keen to meet David in the future. Fingers crossed he will come again to Chester very soon - we will let you know as soon as he does!
