

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 6th February, 2026

We had a super visit last week from children's author, Jacob North. Jacob has written a trilogy of fantasy books called 'Ice Apprentices' and shared his fascinating journey as a writer with the children. Thanks to the kind support of Lingham's Booksellers from Heswall, we have been very lucky to have listened to book launches from authors; Hannah Gold, Ash Bond and Struan Murray over the past 18 months and we are delighted to share that Lingham's are keen to continue introducing our school to many new authors in the future.

Sporting opportunities... We've also had some very exciting sporting opportunities over the past two weeks. Year 5 and 6 took are currently taking part in 'Hoops for Health' with the Cheshire Phoenix basketball team and Year 3 have taken part in 'GULP' with Chester Football Club, who have been looking at the health harms of overconsumption of sugary drinks and snacks. It is wonderful for our children to have opportunities to listen to meet professional athletes and sporting role models and to understand the importance of looking after their health and fitness.

Parking and cars in the village

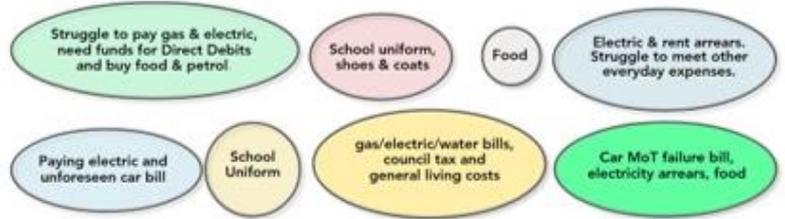

We are receiving an increasing number of messages about parking outside school and cars speeding in the village during school drop off times. This has also included; parking on double yellow lines, across corners where children cross and on the zigzag lines outside school. We will be sending out Mini Cops out again, to ticket cars parked inappropriately and have contacted the PCSO to support us with using the speeding guns. Parking and speeding in these areas makes crossing highly unsafe for children and families that walk to school, so please can you take great care to park away from these areas, be mindful of speed limits or walk to school whenever possible.

Tattenhall Cares have asked us to remind you that they have a fund available to anyone living within the Parish Council boundary in need of temporary help to alleviate immediate hardship.

If you are under any kind of financial hardship they would love you to get in touch by email:
