

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park Families,

Friday 8th May, 2026

We had a super celebration of Sir David Attenborough's 100th birthday today. The day began with a special assembly, and all of the children received an 'Attenborough 100' T-shirt as part of our new project to explore 100 ways to save the planet. During the morning, we made a giant whole-school '100' on the yard to mark the occasion, and Councillor Mike Jones, who very kindly sponsored

our T-shirts, officially named our new bottle top recycling giraffe - Sir David! Parents and guardians will all have received a separate letter today, explaining the 'Attenborough 100' project, along with the 'Attenborough' email address to which they can send any photos of the children's exciting Attenborough 100 adventures.

Superstar Y6 and beautiful blooms...

Year 6 have been working their socks off ready for the SATS next week. I know the whole staff team are incredibly proud of the children's enthusiasm, hard work and positivity and Team Tattenhall will be supporting them every step of the way next week. Their buddies in Acorns have all given them gorgeous cards and well wishes and it is so wonderful to see what amazing role models Year 6 have become to their peers.

I must add a big thank you to all the Team Tattenhall staff, friends and families for supporting and providing so many beautiful floral donations for Year 6's 'Blooming Friday' fundraising stall, last Friday. We certainly have some budding florists in Year 6!

Rainforest adventures ...Year 4 had some close encounters with rainforest creatures last week. Dave and Sue Shaw from the Rainforest Roadshow shared their amazing adventures across the globe and the children all had an opportunity to have a really 'hands on' experience with tarantulas, leaf stick insects and a giant praying mantis.

Thank you to the PTFA for helping to subsidise this fascinating event. During the whole school assembly at the end of the day, I was super proud to hear the children sharing their amazing knowledge of the natural world with Dave and Sue.

Brass and ukulele lessons... You may have walked past school and heard the melodious tones of our whole class brass and ukulele lessons. Thanks to a super grant secured by Miss Holland and the very generous support of the PTFA, this term, we have a brass and ukulele expert delivering weekly whole class lessons to Years 3, 4 and 5 - the children are just amazing to listen to!

Meet Sir David... Don't forget to bring in your plastic bottle tops to fill up Sir David! He has now been officially named and will be moving to a new home in the school grounds next week - we just need to find a good tree for him to nibble!

Key Dates: Summer Term 2026

Summer Term 1

SATS week - 11th - 14th May

Wednesday 13th May- Y3 World Museum trip

Wednesday 20th May- 9-12pm Sports Day
