

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park Families,

Tuesday 21st July, 2026

My goodness, what a whirlwind of a year it has been! When I wrote my last report to Governors in July, I filled a whole side of A4 listing all the activities we had squeezed into the final five weeks of term - it has certainly been action-packed!

We are so grateful to everyone who has been part of our school journey this year: Team Tattenhall, who work their socks off every day to make our school such a special place for our children; our fabulous governors, who are always there to provide support and encouragement; our amazing PTFA, who raise incredible amounts of money to help us create magical experiences for our children; our village community, who are always so keen to enrich our learning in so many ways; and, of course, our wonderful parents. Your support, kindness and encouragement throughout the year have helped make our school community the very special place it is. We truly value the partnership we share with you.

Today, we said a very emotional goodbye to our wonderful Year 6 children. Many have been part of our school family since their days as little Squirrels, and during today's leaving service it was such a privilege to listen to their school journey, delivered in the most heartfelt speech by Miss Rodgers. Their end-of-year performances of 'Treachery at Traitors Quay' have been outstanding, and we have seen so many children shine in so many different ways on stage.

This afternoon, they spent time with their buddies playing in our new mud kitchen. The kitchen has been created by Dean from DJS Joinery and Mr Williams, our site manager, as part of our grounds development project, made possible through the fantastic fundraising efforts of our PTFA. The project first began when many of this year's Year 6 children were little Squirrels and Acorns themselves, making it especially fitting that our youngest Acorns and oldest Year 6 pupils cut the ribbon together to officially open it.

We are incredibly proud of our Year 6 children. They have been an amazing cohort to work with, and we wish them every success as they begin the next exciting chapter of their journey. Please remember, Year 6, that you will always be part of the Tattenhall Park family, you have left us with some very special memories and our door is always open to come and visit - we would love to hear all about your next adventures!

We have also said goodbye to two treasured members of Team Tattenhall. Mrs Hughes leaves us after many wonderful years as part of our school community. We wish her every happiness in her new role at Heber - she will be a fabulous asset to the school and Year 6 are so delighted she is travelling with them.

Miss Worrell is also beginning an exciting new chapter. We can't wait to hear all about her adventures, and we know that the children in Australia are in for an absolute treat! We thank them both for everything they have contributed to our school and wish them every happiness and success for the future. They will both be greatly missed by children, staff and families alike.

Finally, I would like to wish all of our families a wonderful summer break. I hope you enjoy spending precious time together, making happy memories. We look forward to welcoming everyone back for another exciting year of learning and Tattenhall magic on **Thursday 3rd September**.

Until then, have a fantastic summer, and thank you for all your amazing support this year and always.

Mrs Bolton

Attenborough100@tattenhallpark.cheshire.sch.uk

Don't forget this summer to take part in the 'Attenborough 100' challenge wearing your T-shirts and send your photographs in- the list is at the end of this newsletter. There will be some small prizes for everyone who sends a photograph in. In our end of year assembly today, we met our Spinney Tales animals and spotted some of the Attenborough 100 adventures they have already been having!

Help Your Child Discover the Joy of Reading This Summer!

This summer, give your child the chance to fall in love with reading! The Summer Reading Challenge is a FREE, fun-packed way to keep kids reading and learning all summer long.

Why join?

- It's FREE! Available at local libraries and online
- Inspires a lifelong love of reading
- Boosts confidence, creativity, and imagination
- Earn rewards, certificates, and prizes
- Fun for the whole family. Visit your local library together
- 95% of children said they read more after joining!
- Children choose their own books to read, collect rewards over the summer and receive a certificate or medal when they complete the challenge.

PLUS a chance to win a trophy for your school

- A trophy will be awarded to the school with the most number of completers in each local area

... and a Karaoke machine!

- All completers of the Challenge will be entered into their library's prize draw.

Visit your local library or go online at
cheshirewestandchester.gov.uk/read
to get started from Saturday 4 July 2026.

Help your child start their reading adventure today!
