

Career Assignment: Food Store Manager

Task One: Where in the World?

In your kitchen, find 6 different foods that have their packaging. Where did they come from? Now, work out how far your food has travelled to get to you!

Task Two: Problem Solver

Sometimes as a manager you will need to solve problems! Here are two customers who aren't happy. What can you do?

"I bought these tomatoes only yesterday and they're already mouldy! I was already not happy and then I came in and the person on the till said they can't do anything for me! I am even more cross now as I needed these tomatoes for my salad today!"

I would:
