

# SATs 2024

Information Meeting for Parents

At the end of Year 6, all children are **teacher assessed** in:

Speaking and Listening

Reading

Writing

Maths

Science.

**In May, our Year 6 children will take their SATs where they will be tested in:**

Reading

Grammar, Punctuation, Vocabulary & Spelling

Maths (Reasoning & Arithmetic)

The tests will be **both** set and marked externally, and the results will be used to measure your child's progress and the school's performance. Your child's marks will be used in conjunction with teacher assessment to give a broader picture of their attainment.

# Teacher Assessment

---

- Teachers will use a variety of contexts to assess, including regular class work, in-house tests, discussion and observation.
- Teacher assessment has equal status with test results.
- Teacher assessments will be given to the High Schools in May

# The marking system for the SATs

---

- Children will receive a scaled score.
- Above 100 will mean they have met or exceeded the National Standard.
- In 2023, this was calculated like this:
- Reading: To reach a scaled score of 100, children had to achieve 24 marks out of 50
- SPAG: To reach a scaled score of 100, children had to achieve 36 marks out of 70
- Maths: To reach a scaled score of 100, children had to achieve 56 marks out of 110.

# When?

- 
- All children will sit these tests between Monday 13<sup>th</sup> and Thursday 16<sup>th</sup> May.
  - All children in Year 6 throughout the country will take their SATs on the same days.
  - The timetable cannot be altered. If your child is ill, he/she will be able to sit the tests within a week.
  - The test papers are sent away to be marked externally.
  - Upper Key Stage 2 teachers will mark and assess other writing internally.
  - Results will be sent home with the school report.

# Why does Lower Park have a revision programme?

---

- It helps children feel prepared for a tough week.
- A valuable and important part of learning. It teaches a way of revising that the children can use in other exam situations.
- An opportunity, at end of KS2 to draw together six years of learning.
- To help pupils, remember, organise and summarise their knowledge, skills and understanding.
- To refresh and recap work covered during the last few years- nothing new will be taught.
- **Not** coaching. (Coaching is training pupils to answer specific questions in specific ways - sometimes without understanding)
- **Not** last-minute cramming of facts and rules.
- It's proved to be successful during the last sixteen years that we've been running it.

# What are we expecting children to do?

- 
- The following books have been used very successfully in the revision programme.

Reading

Punctuation

- Grammar
- Maths - Number, Ratio and Algebra
- Maths - Geometry, Measures and Statistics.
- Arithmetic
- Spelling

Children will be working on all aspects of the above during the school day. These books will be predominantly used at home to help consolidate their knowledge and boost confidence. (We will build in some time during the school day for children to complete some pages from their workbooks.) A revision timetable will be provided so that all areas are given time for revision.

At home, please encourage your child to follow the revision timetable and do the pages relating to the topic in the workbooks. By following the revision timetable, children can choose how they organise their homework according to the pages they have been asked to do.

The books are disposable materials. We ask that parents offer a voluntary contribution of **£16.50** to purchase the workbooks so they can be used at home and occasionally in lessons. Buying them through school spider means that we are able to offer them at a subsidised rate.

# What can parents do?

---

- Remind children to bring the sets of books to school **every** day.
- Provide a wallet to keep everything together.
- Help them to find the correct time of day to complete their practice pages.
- Find a special place for them to work.
- Provide moral support.
- Ensure other activities carry on e.g. sports, music etc.
- Ensure sensible bedtimes are kept.
- Please don't bribe them with money. Encouraging them to work hard is more productive!!!
- We just want them to do **their** best!

# Homework

---

- There will not be any 'normal' homework. Instead, we would encourage a 'little and often' policy from the workbooks.
- We will be building in time during the day to help them complete some of the pages.
- If your child is taking a long time to complete the homework, please 'cap' it to a sensible time
- Please follow the programme!!
- Contact us if there are any issues.

# Finally....

---

- The children will be given their books on **Monday 26<sup>th</sup> February** along with their revision timetable.
- Any questions?
