Year 5 Swimming Lessons

Dear Parents,

Next term, we will be taking Year 5 children swimming at Christleton High School on Tuesdays, with their first lesson starting on Tuesday 21st April 2026 and their last session being Tuesday 2nd June 2026. These 6 sessions will be an hour long.

Your child will need the following kit:

Boys - appropriate swimwear and a towel (not very baggy swim shorts!).

Girls - one piece swimming costume and a towel.

All children with long hair are to have their hair tied back, **jewellery, earrings etc. must not be worn.**

Children are not permitted to wear goggles unless we receive an additional note via scopay when providing consent or an email from parents requesting that they do so. This is due to national and local health and safety guidelines.

As our swim sessions are from 9:30-10:30am, children will miss out on school snacks. It would be advisable for children to bring in a good snack to eat for after our swimming session.

Hire of the swimming pool, lifeguard and swimming instructors are paid for by school. A voluntary contribution of £32.50 is requested from parents for the cost of transport for the six week period, which equates to approximately £5.42 per session.

Payment and consent should be provided via scopay by clicking on Trips & Events, then 'Y5 swimming 2026' by Thursday 16.4.26.

Kind regards,

Mr Hutchinson
