Tri-golf

Athletics

Music:

Music express

Travel unit: performance

Ourselves unit: exploring sounds

The children also have daily phonics or spelling, handwriting and mastering number sessions.

Class Information

Term 5

Home Learning

Your child will be sent home with weekly spellings to practice.

They also have a Freckle Maths task to consolidate their learning.

Water Bottle/ Snack

Please make sure your child brings a water bottle to school every day. We will send them home to be washed and refilled each day. We have fruit to give to the children at break time if they choose to bring in their own snack for break time it needs to be a healthy option.

Drop off/ Collection

Drop off is between 8:35 - 8:45 at the cloakroom door. Collection is 3:00 from the Year 2 classroom door. Messages can be passed on via the adult on the door in the morning or you can speak to me at the end of the day.

PE

Our PE days are on Monday and Tuesday.

Please ensure your child dresses appropriately for the weather and wears the navy-blue colour.

Reading

Books are changed on Monday, Wednesday, and Friday. Please sign your child's reading record to ensure their book gets changed. You can write any comments you have in their reading record too.

Year 1 children will have a phonetically decodable book to read. Year 2 will have a phonetically decodable book and an accelerated reader book. These books are matched to their zone of proximal development and your child will complete a book quiz after completing each book. Your child can continue to choose a book for pleasure from our reading corner, this book might be above their reading level so should be shared with an adult.

Please read with your child every day, it makes such a huge impact on their learning journey.
