#### Feedback

At parent evening we shared our new feedback policy, where pupils get more verbal feedback to improve their work but also different colours are used to demonstrate where they've done really well but also areas for development. You will see the evidence of this in your child's book.

#### Colour Monster & Zones of Regulation

As many of you will have seen on Parents evening this week, we have been busy supporting the children to manage and regulate their emotions.

Please talk about this with your child. KS1 pupils will be able to talk about 'The Colour Monster' and KS2 pupils will be able to talk about energy levels and 'Zones of Regulation'. Both these strategies can be used at home, so it is certainly worth exploring them with your child. Thanks

#### Dog Man

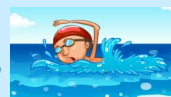

KS2 had a fabulous trip to the cinema on Tuesday! They had the cinema to themselves!

#### SIAMS

As I know you are all aware we are having our Statutory Inspection of Anglican and Methodist Schools (SIAMS) next week. It is on World Book Day but I have been reassured by the inspector that me dressing up as Willy Wonka will not impact negatively on the outcome of the inspection! If you would like to be involved, please let me know!

#### Swimming Gala

Huge Congratulations to Harry, Ivy, Aisha, Max,

Myra, Aaryash and Nancy who represented the school this morning at our first time competing in the Dover Swimming Gala.

All swimmers performed brilliantly with Ivy and Max both receiving Bronze medals!

Well done to all involved! Thanks to Aisha's mum for helping with lifts too!
