

**Active Play**

We have been working hard behind the scenes to develop more active lunch times. We are launching this new approach on Tuesday where lots of different activities will be available to play with. These include: sandpit, mud kitchen, art, reading shed, football, swing ball and more.

There will be strict rules to keep the children and resources safe. These will be shared with pupils on Tuesday morning and all classes will have the opportunity to walk around the areas before lunch.

We will update you with lots of pictures, so you can see the children having fun!

Thanks to everyone who has helped raise money for the project or who has donated resources, we would not have been able to do it without you.

A special shout out to FOGS who have been incredibly supportive.

Noah and Yosra  
Have a wonderful time!**

**Just a reminder that we're  
celebrating David  
Attenborough's Birthday next  
Friday!**

It is Sir David  
Attenborough's 100th birthday on  
the 8th May and we wanted to  
celebrate it!

In honour of his incredible work, we  
thought it would fun to ask the  
children to dress up in colours  
inspired by nature OR if they fancied  
it (and you have the time and  
resources to organise it), their  
favourite animal!

We will be learning about Sir David's  
life and work through the day.

**Glastonbury 2026  
3rd July 2026**

We would like to invite you to our annual  
"Gustonbury" on 3rd July.

This year however, we would like to extend the  
invitation to join us for a family picnic , followed by performances  
from different groups and classes.

If you know of any local bands that would like the experience  
performing in front of a crowd, please ask them to get in touch!  
We can't wait to see you all there!
