

ENGLISH

This term we are exploring stories on a theme and we will be looking at 'The way back home' by Oliver Jeffers. We will also be exploring instructions when making different items in DT.

MATHS

As a school, we follow Red Rose Maths and the children will be exploring place value, addition & subtraction, shape, length & mass, fractions, money and time.

GEOGRAPHY

The children will be using maps, atlases and online apps to explore where they live, where Royal Cross is on a map and what the different features are on a map. They will even get a trip to the local post office so they can post a letter home!

SYCAMORE CURRICULUM MAP

HISTORY

We will be finding out all about Neil Armstrong and his journey to the moon! The children will be jumping into all things space which also includes making their own spacecraft!

ART & DT

Sculpture, sculpture, sculpture. The children will explore clay, look at different sculptures in the area and create their own ideas. Watch this space!

PSHE/COMPUTING

It is important the children know how to stay safe online so all children will be looking at avatars, passwords, information we should and shouldn't share and how we save our work securely. This is done using purple mash.
