

ENGLISH

This term we are exploring stories with familiar settings so we will be enjoying the story 'The Tiger who came to tea.' The children will be planning a tea party and visiting the shops to buy the items as part of our enrichment!

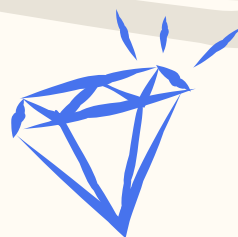

MATHS

As a school, we follow Red Rose Maths and the children will be exploring place value, addition & subtraction, fractions, money and time.

GEOGRAPHY

The children will be using maps, atlases and online apps to explore where they live, where Royal Cross is on a map and what the different features are on a map. They will even get a trip to the local post office so they can post a letter home!

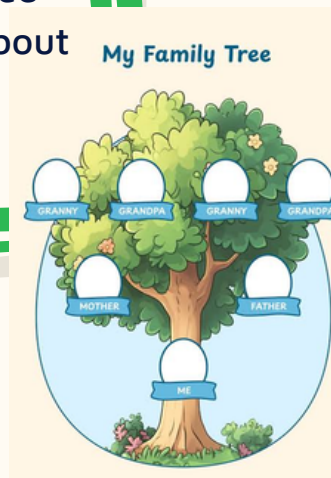

SYCAMORE CURRICULUM MAP - AUTUMN

HISTORY

We will be finding out all about the children's families, exploring family trees, how families have changed over time and how we find out about the past!

ART & DT

Christmas is the topic for our DT and the children will be planning and coming home with some amazing creations! In Art we will be looking at Portraits and the artist Picasso and Nick Sharratt.

PSHE/COMPUTING

It is important the children know how to stay safe online so all children will be looking at avatars, passwords, information we should and shouldn't share and how we save our work securely. This is done using purple mash.
