Music

Mrs Higgins

Why I love my subject:

Music can be enjoyed by everyone and allows people to be creative. It can be enjoyed by yourself or with others. Music has so much power and can be used in so many ways. I love how Music can remind you of people and places and make you happy.

My favourite interesting fact:

The oldest known piece of music is from 1400 BC and was written on stone tablets.

My subject gets us ready for life by:

Our Music curriculum teaches many important life skills, such as listening skills, the ability to concentrate, creativity, intuitions, perseverance, the ability to work in a group, self confidence and sensitivity towards others

What will you learn in my subject?

In our Music curriculum, you will learn about different styles and different composers. You will also learn lots of key vocabulary to appraise and describe music.

You will begin to learn to play a glockenspiel and begin to read and write in Music notation.
