## English Leads

Mrs Ward and  
Miss Williams

### Why I love my subject:

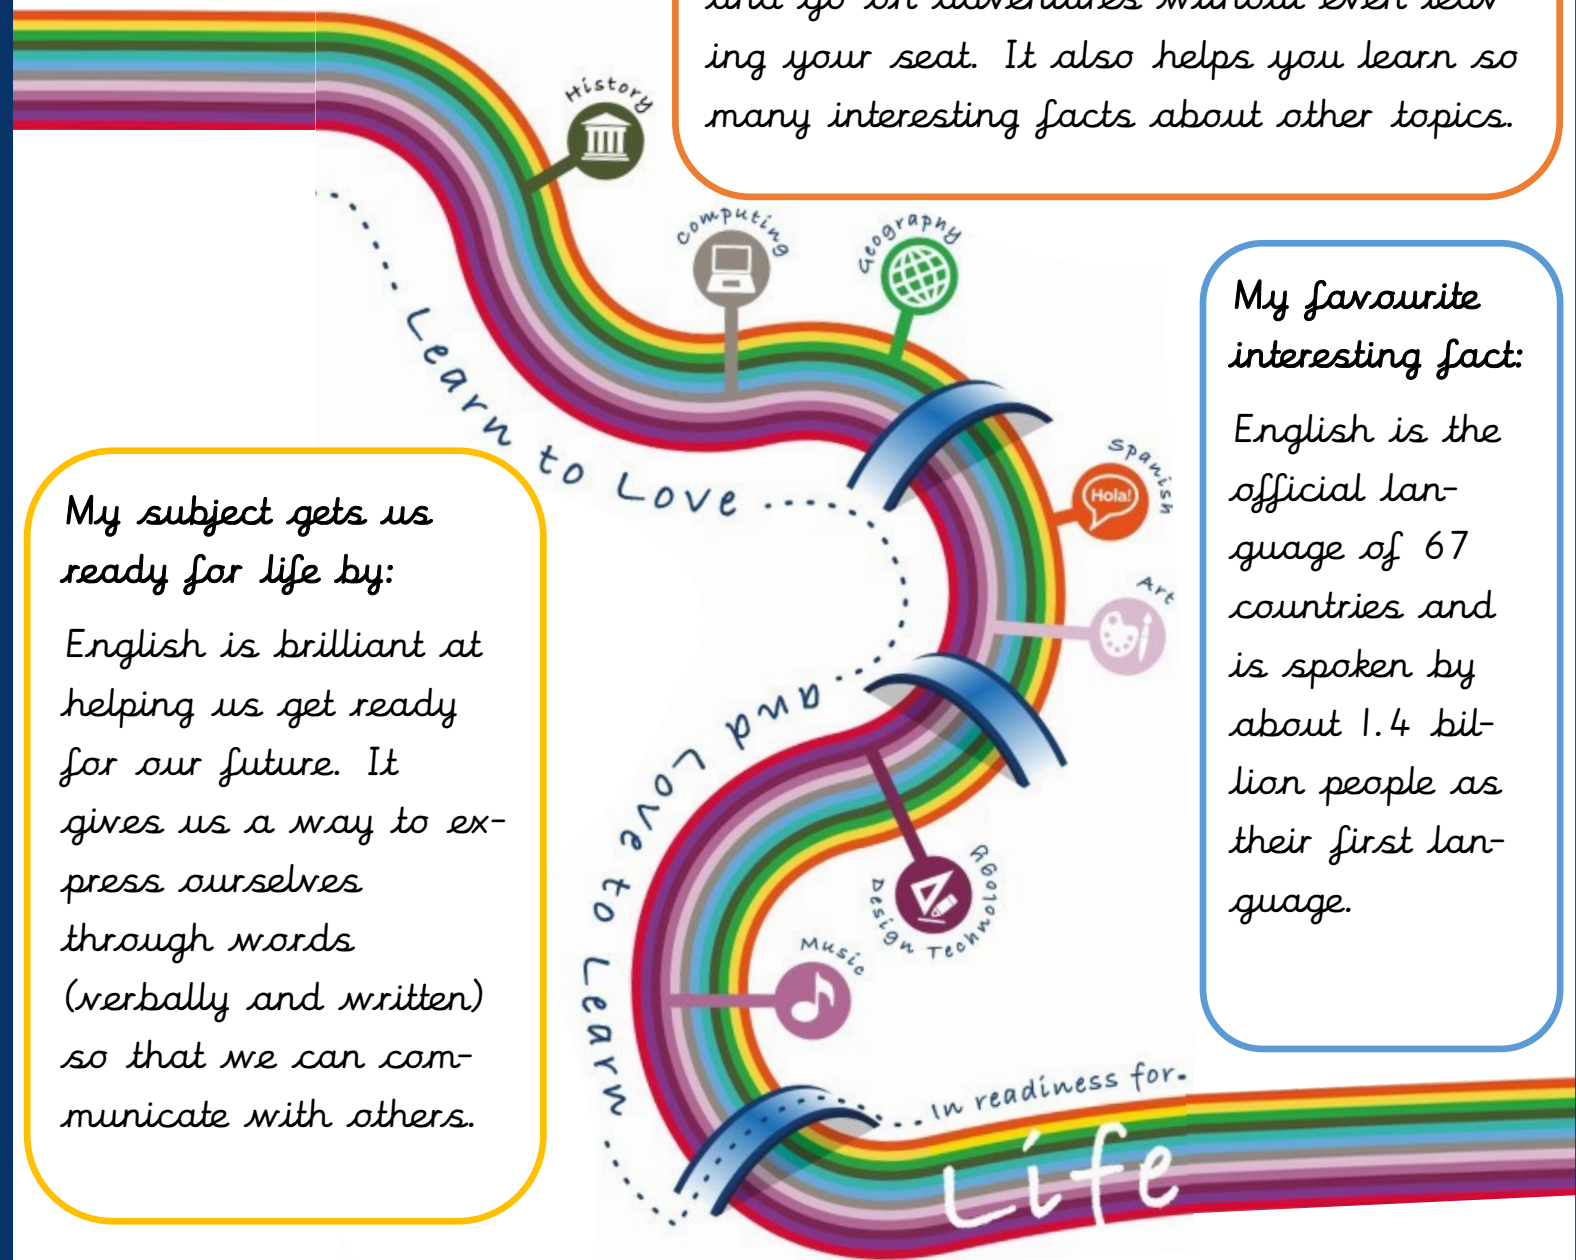

We both love reading—it gives you a way to access other worlds and times and go on adventures without even leaving your seat. It also helps you learn so many interesting facts about other topics.

### My subject gets us ready for life by:

English is brilliant at helping us get ready for our future. It gives us a way to express ourselves through words (verbally and written) so that we can communicate with others.

### My favourite interesting fact:

English is the official language of 67 countries and is spoken by about 1.4 billion people as their first language.

### What will you learn in my subject?

In English, you will learn to become confident readers and effective writers. You will encounter lots of engaging and interesting texts to help you expand your horizons. You will also learn to be competent spellers and have a good grasp of English grammar. Handwriting is important too, so you will learn how to form your letters correctly and join your writing. Also, in English, you will learn to be effective verbal communicators.
