

# RSHE KNOWLEDGE ORGANISER – A JOURNEY IN LOVE

Year:	4	Aim	To make links and connections to show that we are all different. To celebrate these differences as we appreciate that God's love accepts us as we are now and as we change.
Strand	Physical	Learning intention	To describe how we should treat others making links with the diverse modern society we live in.

What should I already know?	What will I learn?
How we should be accepted and respected by others.	<p>How we respect each other even when we are different from one another, either physically, ethnically, culturally or in religious beliefs.</p> <p>How might our differences change overtime as we grow.</p> <p>The ways we can expect to be treated with respect by others and in turn show them the same respect.</p> <p>How we can challenge stereotypes that encourage bullying of all kinds.</p> <p>How we can recognise the innate dignity of every person and how we can ask God to help us to see it.</p>

Key words I will need to understand:		Key skills I will need to use:	Songs I will hear during reflection time:

Scripture and prayers that we will use:	Images I may see:
 <p>Lord God, I give you all the members of our family. You know them all so well and love them all. I ask that you would cover us with a rainbow of hope. Hope that draws us together to work out our differences. Hope that helps us to celebrate together and care for one another. Hope that rides like a banner in our lives and watches over us wherever we go. Hope that overcomes adversity and gathers strength to overcome. Hope that guides us and gives us vision for our future alone and together. Hope filled with love. Hope that breathes peace. Amen</p>	 <p>No family drops down from heaven; perfectly formed. Families need constantly to grow and mature in the ability to love</p> <p>Pope Francis</p>
