21st November 2025

Learning, Caring and Growing Together in Faith

Message from Mrs Glass-Brook:

What a super week at school! Monday was *Dress as a Digit Day* to celebrate Maths, and the children looked absolutely brilliant! It was wonderful to see all their creative costumes! Throughout the week the children took part in lots of exciting maths activities that made learning fun and engaging.

Our Tuesday Cre8tivity Group has continued to thrive, with both children and parents really enjoying the sessions. Thank you to parents for supporting with this.

Year 1 have been busy practising their cutting skills to prepare delicious fruit salads, while Year 2 have been solving challenging fraction problems and exploring the oceans of the world. We are also so proud of our Reception children, who are making fantastic progress in phonics and learning lots of new sounds.

Thank you for your continued support, and have a lovely weekend!

'Give thanks always for all things to God the Father.' Ephesians 5:20

Thankfulness is our
current school value

Ladybirds: Cassius
Honeybees: Cian
Butterflies: Harry
