Spring 1

In RE this half term, we have been learning about how Jesus is a friend to everybody.

We looked at some of Jesus' miracles and understand how they reveal him to be the Son of God. We learnt that Jesus cares for all, even people who are looked down upon by others. Jesus loves everyone.

Christians believe that we should be kind to all try to be like Jesus.

We have found out that Barnardo's and The Salvation Army Charities follow the teachings of Jesus.
