Music

Charanga – 'Our World'

Understanding the World

Finding and caring for minibeasts in our
outdoor area
Observing the life cycle of a butterfly
Observing a wormery
Making a compost
Planting seeds and flowers
Comparing minibeasts in our area to those
that live by the sea
Spring and Summer
Looking back on our learning so far

**Personal, Social and Emotional
Development**

My Happy Mind – Celebrate

Recognising what you are good at.
Being caring, gentle, and nice to others
Being brave even when you feel scared.
Trying new things.
Finding out more about the world.
Working together and being a kind, helpful friend.
Enjoying life and caring for the world around us.
Recognising what is important and means a lot.
Noticing what you and others are good at.

Religious Education

What makes a place Holy?

Creating our special place
Talking about our special places
at home and school
Visiting St Andrew's Church and learning why it
is special to us and Christians
Looking at mosques and temples
around the world
Understanding why people take their shoes
off when they enter a holy place

Physical Education

Findamental skills - Superworm
Jumping, hopping, skipping, catching, travelling under
and over, obstacle courses!
