Summer 1

This half term we have been learning all about why the church is a special place for Christians. We began by discussing the places that are special to us and why they are so special. Then we looked at where it all began with Jacob's Church that he created after his dream.

We visited St Andrew's church, Katy showed us the different features in a church. We then explored around to see what we could find, name and describe. We found

We identified key features of a church and compared them to churches around the world. We know churches are not just the buildings but the body of people.
