Learning, Caring and Growing Together in Faith

Message from Mrs Glass-Brook:

We have had a fantastic start to the summer term. The children have returned to school with a brilliant attitude, ready to learn, and have thoroughly enjoyed beginning their new topics.

Our youngest learners in Nursery and Reception have started exploring their exciting topic all about minibests. Year 1 have begun their journey with *Paddington's Adventures*, while Year 2 are diving into their topic on *Amazing Africa*.

This half term, our focus value is *Perseverance*, and it was wonderful to celebrate those children who have been demonstrating this so positively during worship this afternoon.

It has also been lovely to see the children developing their bike riding skills, and Kingfishers class had a great time taking part in their very first swimming session. Well done everyone!

Today we warmly welcomed Mrs Hunter to our school family who has started in the role of SENCo.

Wishing you all a wonderful and restful weekend!

'God is my strength in whom I trust.' Psalm 18:2

Perseverance is our
current school value
