Learning, Caring and Growing Together in Faith

Message from Mrs Glass-Brook:

It's been a fantastic week in school, with the children making great progress across all areas of learning and continuing to show a positive attitude in everything they do. They have especially enjoyed the recent spell of nicer weather, making the most of time outdoors on the school field.

Next week, on Tuesday 28th April, we will be celebrating National Superhero Day while also raising vital funds for children's services across Preston and Chorley. This is a wonderful opportunity to support local children who may need care or a stay in hospital.

Children are invited to come to school dressed as a superhero of their choice—this could be a real-life hero such as a teacher, emergency service worker, or scientist, or a fictional character like Superwoman or Batman. We kindly ask for a £1 charitable donation to support this cause.

Have a great weekend!

'God is my strength in whom I trust.' Psalm 18:2
