Learning, Caring and Growing Together in Faith

## Message from Mrs Bashora

What a wonderful week we have had in school. All our children have settled back in quickly after the holiday and have had a great attitude to learning - as you could see from all the certificates and rewards if you joined us for Celebration Worship!

I would like to thank everyone for the very warm welcome shown to me, and other new staff and children, who have joined school this week. It really is a pleasure to be part of the St Andrews school family.

Our Reception children, in Honeybees and Ladybirds, started the week with a special Pirates in Pyjamas day. They even have their own beach, with real sand, in the classroom.

Dragonflies and Kingfishers have completed their swimming lessons this week. It is great to hear how much progress they have all made. Year 2 have also enjoyed going to Woodlea Junior school as part of their transition to Year 3 in September.

'God is my strength in whom I trust.' Psalm 18:2
