Learning, Caring and Growing Together in Faith

Message from Mrs Bashora

It has been a busy and happy week in school. Butterflies and Owls have been working hard in their phonics assessments this week. It is great to see how much progress they have made from their starting points. Dragonflies enjoyed their first swimming lesson on Tuesday. They will continue practising their skills until the end of the term.

It has been lovely to get to know all our children this week - I am getting there with remembering everyone's names! I receive such a friendly welcome every time I call into Ducklings and Robins to play. It was also wonderful to join our thriving Toddler Group on Tuesday. If you have friends with little ones remember to recommend the session - they'll receive a very warm welcome.

I met with our Children and Family Wellbeing service this week. They provide signposting to lots of different services to support parents and carers, children with additional needs and babies and toddlers. Pick up a leaflet in our entrance or check out the links I'll send on Dojo.

The One Stop Shop, held on the third Wednesday of every month, is just around the corner at West Paddock and is a great place to have a chat.

I look forward to chatting with more of you over the coming weeks, at the school gates and at upcoming events.

Thank you for your continued support and we hope you have a wonderful weekend!

Friendship is our current school value

Ladybirds: Darcie
Honeybees: Freya
Butterflies: Marnie
Owls: Lily-Rose
Kingfishers: Felix
