Butterflies Class

Autumn 1 - Creation

We have been learning about Creation. We know that Christians, Hindus and Muslims all believe that God created our world and God would like us to take care of it.

We demonstrated how we are creative beings by making our own creations. We made posters about how to look after our world as God would want us to.

'God is my strength, in whom I trust.' Psalm 18

Harvest

Today we took our harvests
to the farmers market.
Some children had bad harvests
so they didn't get much money.
Some children had good harvests
so they got payed a lot.
