## Autumn 1 – I am Special

We have spoken about the Christian belief that God is our Heavenly Father and that He makes each one of us different and special, and that He knows us and loves us.

We have been learning about how we are all unique and special. We have thought about and discovered more about ourselves, our likes, dislikes, physical features, abilities etc, and looked at our fingerprints.

# Autumn 1 – Harvest

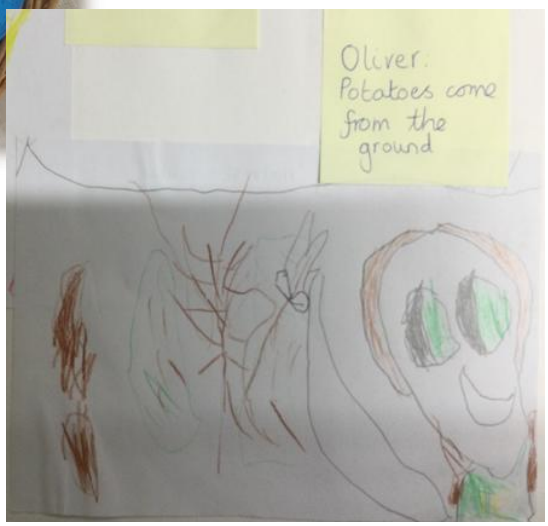

We have given thanks to God for His wonderful creation and for the Harvest. We have looked at our earth using a globe to help us understand where in the world food comes from. We have recognised that we have access to plenty of food in Britain but there are many places and people in the world who do not have enough. We have celebrated harvest festival in our church.
