Tuesday 8th September 2026

Dear Parent/Carer,

Over the coming weeks, all classes will be taking part in the NSPCC PANTS programme, delivered by myself, Danielle Murtagh, Family Support Worker, alongside your child's class teacher.

The NSPCC PANTS programme is a nationally recognised safeguarding resource designed to help children understand that their body belongs to them and to encourage them to speak to a trusted adult if they ever feel worried, upset, or unsafe. The programme promotes important messages about personal safety in a child-friendly and age-appropriate way.

The workshops will be tailored to the age and developmental stage of each class to ensure that the content is suitable and accessible for all pupils. Activities and discussions will focus on helping children develop confidence, understand boundaries, and know where to seek help if needed.

At school, we are committed to supporting children to stay safe, happy and healthy, and these workshops form an important part of our safeguarding and personal development curriculum.

If you have any questions or would like any further information about the NSPCC PANTS workshops, please do not hesitate to contact me. I will be happy to discuss the programme with you.

Thank you for your continued support.

Yours sincerely,

Danielle Murtagh
Family Support Worker
