

Queensgate Primary School

Newsletter June 19th 2026

We had a great Eat Fit, Keep Fit week before the last holiday.
Here are some of the highlights...

Nursery had lots of visitors in school to talk about different activities and keeping healthy. Thank you if you were one of the members of our school community who came in to join us. The children absolutely love seeing new faces in school.

We tried some new healthy foods in Nursery

Year 1 and Year 2 loved their Zumba session with our very own Mrs Griffiths!

**We made very good use of Queensgate tennis courts during the week- in between the rain!
Cricket lessons were also very popular on the playground.**

**Here is Year 3 engrossed in a game of Boccia.
This is a great game for our children to learn to play as it is very inclusive and accessible to children with disabilities.**

**The climbing wall was a great physical challenge for Years 4, 5 and 6.
Pictured are Year 4 who loved the experience - they all set themselves the challenge of going a little further up the wall each time they climbed.**

We have been incredibly fortunate to have received the support of local estate agent, [Leighton Snow](#), who has very kindly sponsored our new home football kit. The kit looks absolutely fantastic and a few members of the school's football teams were more than happy to put it on when Leighton popped in to see it. Thank you, Leighton, for your generosity and supporting Queensgate.

There have been quite a few occasions, over recent years, where we have, unfortunately, had kit clashes with opposition schools - there are lots of schools whose uniform is red!

With this in mind, it would be amazing if there is anybody in our brilliant Queensgate community who would be able to sponsor an away kit that the school football teams could use. The Sports Council have already created a lovely away kit design, but we need your help. If you are interested in sponsoring the school away kit, please contact the school office. Thank you.
