

Pelicans Class Newsletter Autumn Term

September 2023

Welcome to our first newsletter of the Autumn Term. We are looking forward to working with you all this year and have a busy term planned. Our

Topics for this term are:

Marvellous Me

We will also explore colours of Autumn and join in whole school celebrations for Black History Month.

Our Sensory Stories are :

The Pete the Cat books

Communication with school

We will write a note in the book each day to let you know what your child has been doing in school. Please can you either write a reply or date and tick the book each day so we know messages have been safely received. Thank you.

We are updating **one page profiles** as we get to know the children this term. It would be great to have your input! A proforma is included on the class page. If you would like a paper copy please let us know.

All about our class

We have our own class page on the school website.

This will be updated during the term. If you need help navigating the website please ask a member of the class team and we will be happy to help.

We will also aim to talk to you all individually about your child's learning and care plans before the Half Term break.

PE with Elliott

Elliott will be working with the children in the Hall on Wednesday mornings for a fun and active session. We will take photographs to share with you as the term progresses.

Best Wishes

Catherine, Jane, Sandra, Shazna/Louise (The Pelicans Class Team)
