

Summer Term in Sunbirds 2022

This term the children will be working on farm life, animals and plants. They will be learning about farm animals and their young. The children will be learning about how plants grow and the food we get from a farm. The children will be growing some plants and flowers in class and taking care of them as they develop and grow.

THE SUNBIRD CLASS NEWSLETTER

On Monday mornings we will be having Beth back with us for a sensory music session. The children enjoy experiencing Beth playing her instruments and the experience of live music.

On Tuesday morning the children explore the school's Squirrel woods area where they will be encouraged to engage in some forest school activities and to notice the seasonal changes as they happen. We hope to be able to plant of our plants.

On Wednesday mornings we will continue to work with Elliot our PE specialist in the Hall. The children will be working on the large apparatus.

On Tuesday afternoons the children a session in the sensory room where they are encouraged to relax and enjoy the soothing lights.

On Wednesday afternoon the children have their turn in the softplay room where they can experience a different floor surface and environment.

On a Thursday afternoon the children enjoy a session outside in the swing area.

It is always a good idea to label your child's jumpers. Thankyou
