

The background of the entire page is a soft, painterly illustration of an autumn scene. In the foreground, two white swans with black beaks and orange-tipped bills are swimming in a calm body of water. The water reflects the light and the surrounding foliage. To the left, a large tree with vibrant orange and yellow leaves leans over the water. In the background, more trees with autumn foliage are visible under a pale, hazy sky. The overall mood is peaceful and seasonal.

Swans Autumn Newsletter 2026

WELCOME BACK!

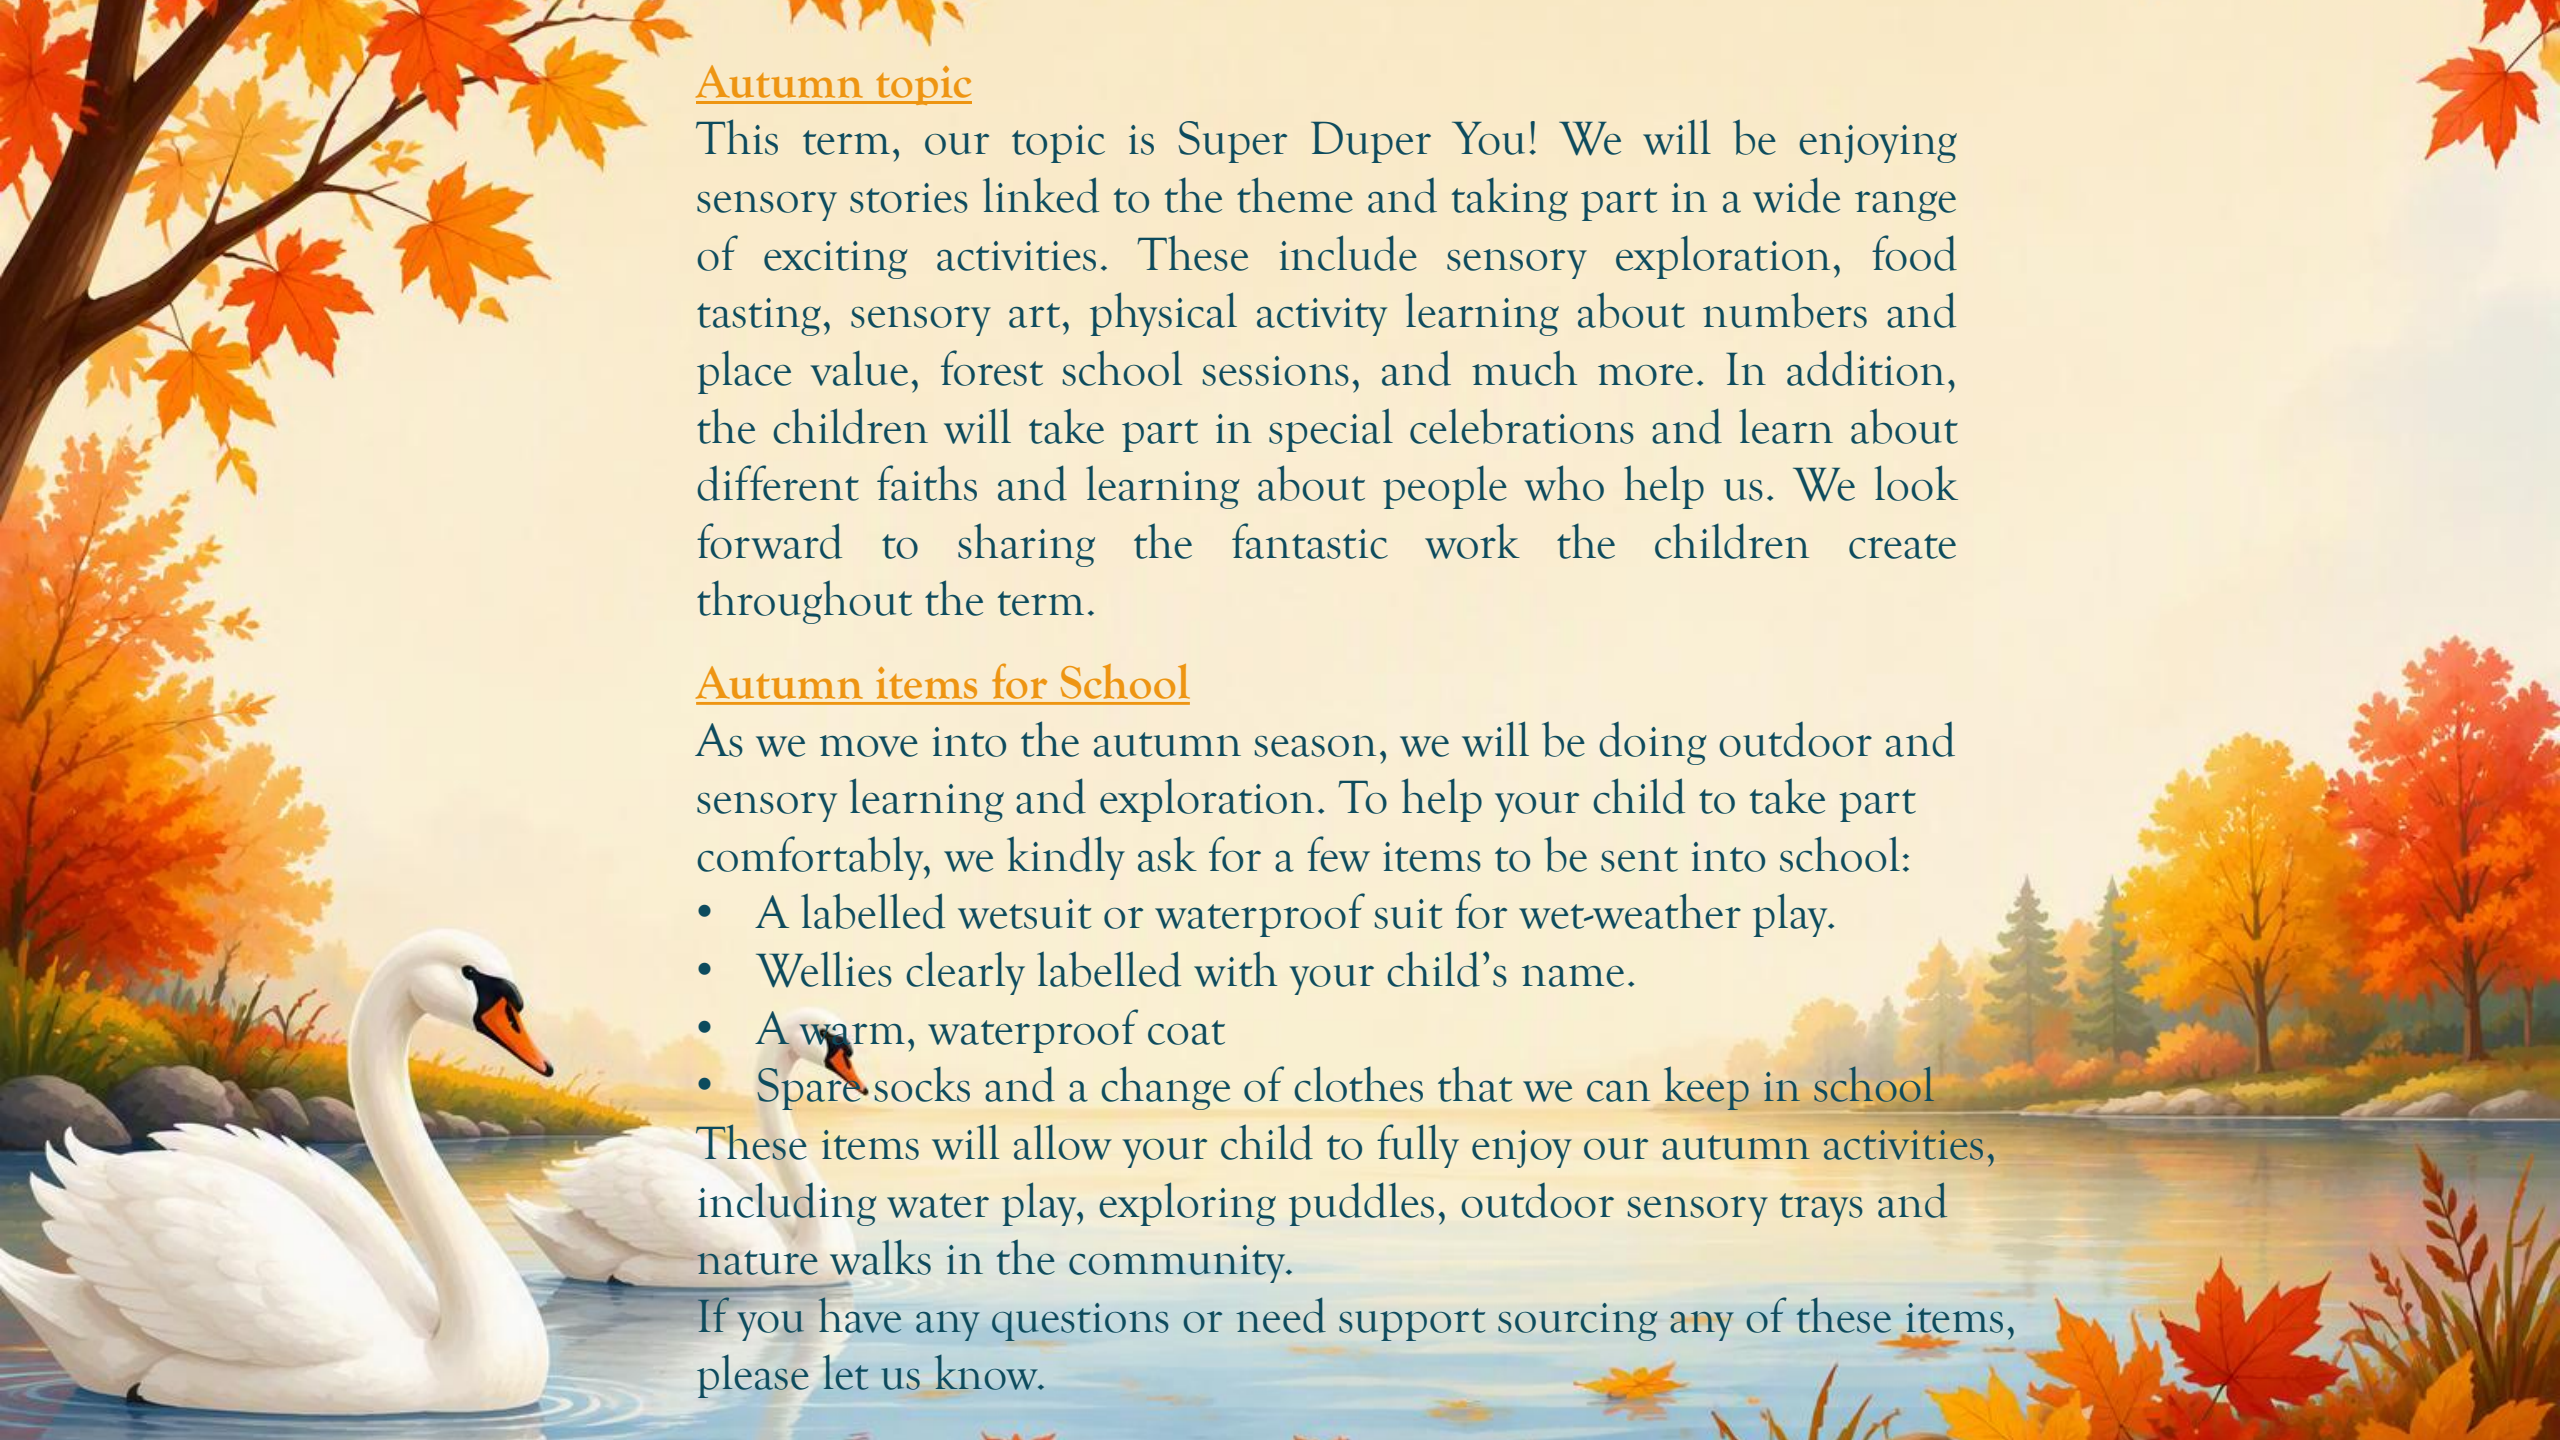

We are looking forward to a wonderful term filled with a wide range of engaging learning opportunities. These will include visits to soft play and the sensory room, community walks, PE with Elliott and Swimming in the hydrotherapy pool.

Home / School Communication

We aim to share daily updates with you via Class Dojo, letting you know what your child has been involved in each day, along with any other relevant information. We may also share important letters and photographs from recent activities. Please feel free to reply with anything you feel would help us support your child at school or that may be useful for us to know.

Class Fund

We kindly ask for a voluntary contribution of £1 per week to support the purchase of cookery ingredients, sensory play materials, and resources for class activities. Please send this in every Monday, or you are welcome to pay for the whole term in advance if preferred.

A vibrant autumn landscape illustration. In the foreground, two white swans are on a calm body of water, with one in the left foreground and another slightly behind it. The background features a line of trees with bright orange and yellow autumn foliage. The sky is a soft, hazy yellow. The overall scene is peaceful and seasonal.

Autumn topic

This term, our topic is Super Duper You! We will be enjoying sensory stories linked to the theme and taking part in a wide range of exciting activities. These include sensory exploration, food tasting, sensory art, physical activity learning about numbers and place value, forest school sessions, and much more. In addition, the children will take part in special celebrations and learn about different faiths and learning about people who help us. We look forward to sharing the fantastic work the children create throughout the term.

Autumn items for School

As we move into the autumn season, we will be doing outdoor and sensory learning and exploration. To help your child to take part comfortably, we kindly ask for a few items to be sent into school:

- A labelled wetsuit or waterproof suit for wet-weather play.
- Wellies clearly labelled with your child's name.
- A warm, waterproof coat
- Spare socks and a change of clothes that we can keep in school

These items will allow your child to fully enjoy our autumn activities, including water play, exploring puddles, outdoor sensory trays and nature walks in the community.

If you have any questions or need support sourcing any of these items, please let us know.

Swans Autumn Newsletter

This term the class team will be:

Sam(Teacher) Karlene (TA4), Evie (TA1) and Claire (TA1). Our lunch time organiser is Faye.

Karlene will lead the class on Monday and Tuesday and Sam will lead the class on Wednesday, Thursday and Friday. Jo will cover and support the class on a Monday and Tuesday.

If you have any questions or want to get in touch about anything, please don't hesitate to contact the team either via the school number (0161 359 5322) or through our Class Dojo.

* If your message is urgent please phone as Dojo is only checked at intervals during the school day*.
