

# Things to bring to school

## School bag

You will have your own special book to read at home and school. You will need a bag to keep your reading book in.

## P.E. kit

We do P.E. and dance. You can keep your P.E. kit in your cubby and take it home to be washed in the holidays. Please bring some spare underwear and socks just in case!

## Snack

We have fruit in school for you to eat but you may also bring healthy snacks to eat during the school day.

## Milk and water

You can have a drink of milk every morning. Bring a water bottle to have a drink at other times in the day.

## Woodland

We do lots of things outside in the Woodland, sometimes it is wet and muddy. Bring your wellington boots to keep in school in our cupboard.

**Packed lunch or school dinner.** Menu choices are available to choose at home via the app. Or you can bring a packed lunch.
