Warm Welcome from Mrs Bell

We are all aware that temperatures have soared this week. We have taken a number of steps to make life a little more comfortable for the children:

- We relaxed some of the uniform rules (allowing PE kits, loose trousers and sandals).
- We did not allow children to run around.
- We promoted regular drinks to keep children hydrated.
- Playtimes were spent sitting under the tree so that children could enjoy fresh air without being in direct sunshine.
- We provided ice pops and lollies to help them keep cool.

I am hopeful that temperatures will return to a more manageable level over the weekend. If this is the case, we expect children to return to full uniform next week. Please remember that children may wear school uniform shorts and should bring a water bottle to school every day.

Please also remember to send PE kits back into school next week.

World Cup 2026

I am sending positive thoughts to the England Team good luck in their game against Panama tomorrow!

Reporting Absences

If your child is absent, please inform school using one of the following methods:

- School Spider
- Studybugs
- Telephone: **01282 693688**
- Email: loa@reedley.lancs.sch.uk

Please ensure you provide a reason for absence. In line with our Attendance Policy, we may carry out home visits to complete welfare checks where necessary.

Attendance Matters

Our overall school attendance for the week was **94.84%**.

Well done to the **6 classes** that met their attendance target this week.

Mrs Bell's Special Offer - I will give an extra playtime to any class that achieve 100% attendance for the week between now and the end of term!

Here is a breakdown of this week's attendance.

Big Future Survey

Dame Rachel de Souza, Children's Commissioner for England wants to views from children in every school in England, to help form a picture that will shape the future. Parents/Carers are also encouraged to give views.

Please click on the link and give your views.

Galaxy Devices

We still have a number of Galaxy devices available for families to borrow, enabling children to access educational programmes such as Times Table Rockstars, Nessy, Maths Whizz, Numbots and Purple Mash.

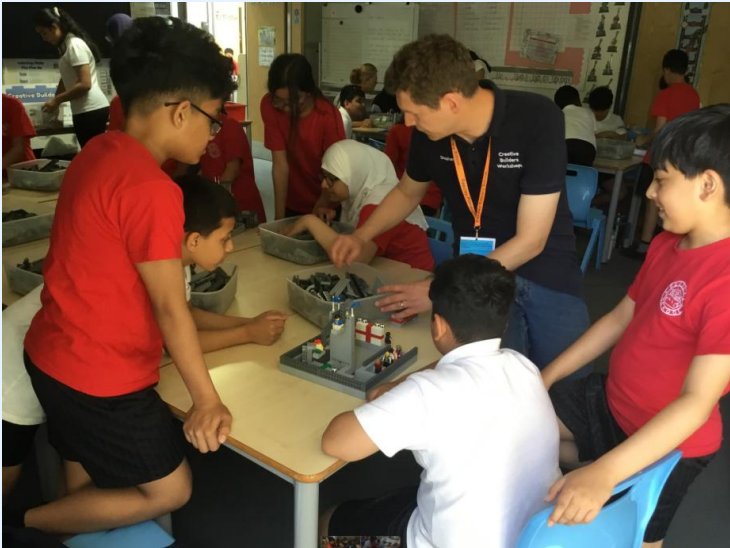

If you would like to request a device, please speak to Mrs Tooley at the gate. Families will need to demonstrate that appropriate security settings are in place, such as Qustodio or Google Family Link.

Devices can be loaned long-term, provided your child is using the programmes regularly each week.

It is a great opportunity to set this up before the summer break.

Lego Workshop

Year 6 children took part in a Lego workshop. They were incredibly creative and had lots of fun.
