

Menu

Serving Fantastic Lunches Everyday - All menus are carefully planned to meet School Food Standards, with all new dishes tested by children. Our aim is to positively influence the diet of our children and young people, and always consider where the food we put on the plates comes from and how it was produced.

Whilst every effort is made to produce the published menus, please note that they may vary occasionally subject to availability and individual school requirements. All our menus are checked using a recognised programme to analyse nutrition. We also work with Lancashire Healthy Schools and support the Healthier Families campaign. The result is a menu your child will enjoy and that will prepare them for learning in the afternoon.

Healthy, Nutritious Food Choices & Our Social Responsibility

Special diets are diets for pupils with a medically diagnosed requirement; not just a dislike of certain foods or food groups. It is our policy to provide a service for those pupils with medically diagnosed food allergies, food intolerances or a medical condition which affects eating requirements. Please contact your school office in the first instance to inform them of your child's requirements.

Using the best locally sourced, sustainable and seasonal ingredients, Lancashire Catering Service provides high-quality, nutritious food to Lancashire's children, supporting health and the local economy. We offer various food choices, and our Sugarwise accreditation ensures we promote healthy habits. Our vision is continuous innovation to meet customer needs.

Be Part of Our Team

Lancashire Catering Service is always looking to recruit people to take up catering assistant and supervisor roles.

As a valued member of the team we offer a full training and induction programme, a term time contract which may fit in with family commitments, a salary which includes up to 32 days holiday (dependent on length of service), bank holiday and statutory day pay (pro rata) and entry into the local government pension scheme
