Warm Welcome from Mrs Bell

## World Cup 2026

I was delighted that England won their first game of the tournament. I am hoping this is the start of great things for the team!

We had our first trading card session at lunchtime today. Children from Y3 – Y6, with written permission from home, were able to trade cards. Children were polite and courteous and followed the rules. They were really happy with the exchanges they made.

Next week, the children can bring the cards on **Thursday**.

If we have written permission for your child to take part, you don't need to send permission again.

Any new children who wish to join will need to bring in a letter from home, stating that they are allowed to trade their cards.

## Reporting Absences

If your child is absent, please inform school using one of the following methods:

- School Spider
- Studybugs
- Telephone: **01282 693688**
- Email: **loa@reedley.lancs.sch.uk**

Please ensure you provide a reason for absence. In line with our Attendance Policy, we may carry out home visits to complete welfare checks where necessary.

## Year 4 Trip

Year 4 children went to Offshoots and Towneley Hall on Thursday and Friday this week. They learnt about Ancient Egyptians and also learnt about the environment at Offshoots. There was lots of talk about different insects and mini-beasts that they saw. I don't think the adults were always as brave as the children around the creatures!

The staff received lots of praise for the way the children conducted themselves throughout the trip.

# Attendance Matters

Our overall school attendance for the week was **95.87%**, just lower than our target of 96%.

Well done to the **9 classes** that met their attendance target this week.

**Mrs Bell's Special Offer - I will give an extra playtime to any class that achieve 100% attendance for the week between now and the end of term!**

Here is a breakdown of this week's attendance.

## Punctuality

Rec Ducklings class had no lates this week.

Overall across school, there were 47 late marks.

Let's aim for this to be reduced next week.

## Leave

There have been a number of requests to take children out of school for leave.

Requests for leave in term time will not be authorised, and could incur a fine for each parent. Every day of school is vital. Learning that is missed may not be revisited and this can lead to gaps in your child's skills and knowledge.

It is expected that trips are taken in the 13 weeks of school holidays.

# Reading at Home

Please remember that all children are expected to read at home **at least three times each week**.

Reading:

- Can take place with an adult or family member
- Must be recorded in the reading record

Children:

- Move up the reading chart (maximum three times per week)
- Receive a small reward once they reach **10 reads**

Thank you for your continued support in developing your child's reading skills.

There were some exciting little prizes chosen today.

# Big Future Survey

Dame Rachel de Souza, Children's Commissioner for England wants to views from children in every school in England, to help form a picture that will shape the future. Parents/Carers are also encouraged to give views.

Please click on the link and give your views.

# Galaxy Devices

We still have a number of Galaxy devices that families can borrow, to enable their child to access our educational programmes such as Times Table Rockstars, Nessy, Maths Whizz, Numbots and Purple Mash.

If you want to request a device, please see Mrs Tooley at the gate. Families also have to prove that they have appropriate security settings such as Qustodio or Google Family Share. Devices can be loaned indefinitely as long as your child is accessing the educational programmes each week.
