

Extended School's Policy

Reviewed: February 2024
Review date: February 2027

Ratified by the Policy committee: February 2024

Statement of intent

Dobcroft Junior School believes in creating a safe, welcoming and stimulating environment for all the children in its care. The school believes that a safe social atmosphere helps children of all ages to develop their social skills and confidence.

The school provides numerous extracurricular clubs and activities as a method of developing children's social, behavioural and academic skills. All clubs and activities are conducted to the same high standard as that of the educational provision. Extracurricular clubs and activities, may include provision by external providers – appropriate safeguarding procedures will be followed with regards to these.

In order to help and support parents, the school aims to work closely with DASH (Dobcroft After School Hours) to provide an affordable and convenient wraparound and holiday childcare service. Breakfast, after-school and holiday clubs are made available to children aged 7 to 11, allowing parents more flexibility with their working hours. Please refer to DASH policies and information on our school website.

1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Health and Safety at Work etc Act 1974
- Children Act 2004
- Equality Act 2010
- Children and Families Act 2014
- DfE (2022) 'Health and safety: responsibilities and duties for schools'
- DfE (2022) 'Keeping children safe in education'
- DfE (2016) 'Wraparound and holiday childcare'

This policy operates in conjunction with the following school policies:

- First Aid Policy
- Attendance and Absence Policy
- Data Protection Policy
- Child Protection and Safeguarding Policy
- Supporting Pupils with Medical Conditions Policy
- Administering Medication Policy
- Anti-bullying Policy
- Complaints Procedures Policy
- Health and Safety Policy
- Behaviour Policy

2. Extracurricular clubs and activities

A wide variety of extracurricular activities are offered with the aim of developing pupils' life skills, such as clubs – these are not the same as wraparound care.

Extracurricular activities are also used to prepare pupils for further education as well as give pupils the chance to explore things which they've never encountered by exploring beyond the national curriculum.

We aim to offer a range of opportunities to pupils to promote a healthy lifestyle and support pupils' wellbeing, such as sporting activities to encourage team work.

All clubs are available to a mix of age groups, ensuring that pupils are given the opportunity to interact with others who have similar interests, rather than always being with classmates or small groups. The only exception to this is our Cross-Country training club, which is exclusively to support those pupils who attend Saturday morning cross country races.

All clubs and activities follow a first come, first served policy in relation to admissions. When all the places have been filled, new applications are placed on a waiting list. The following term children on the waiting list will be offered a place first (before the clubs go live to the rest of school).

Waiting List

- The letter advertising the clubs each term will make it clear that if unable to secure a place at the club then parents may email the extended school's co-ordinator within 48 hours of the clubs going live and can ask to be placed on the waiting list for the following term or in the event that a place becomes available in the current term.
- The waiting list is managed by the extended school's co-ordinator.
- The following term parents on the waiting lists are contacted and offered a place prior to the clubs being advertised to the wider school.
- The extended school's co-ordinator then amends the number of places advertised accordingly.

Extracurricular clubs are organised, managed and conducted in accordance with the school's existing policies. Mr Wright oversees the management and organisation of the clubs and is our **Extended Schools Coordinator (ESC)**.

The staff to pupil ratio for extracurricular clubs and activities is 1:20 with the exception of clubs lead by a member of staff who has qualified teacher status. In this case the ratio may be up to 1:30.

Pupils partaking in the club/activity are registered at the beginning and end of the session in order to ensure that nobody is missing.

Whilst clubs and activities are being conducted, the designated member of staff leading the extracurricular club is responsible for the safety and welfare of all pupils.

Extracurricular clubs do not discriminate against pupils with SEND and reasonable adjustments are put in place to support pupils with SEND.

Charging Policy

Activities associated with the Extended Schools Provision (after school clubs) must be self-funding. In view of this, unless the activity is run by a volunteer or a member of staff who is giving their time freely, we will charge providers of after school activities £1.00 per child per activity per week. This charge contributes towards the cost of:

- Heating and lighting
- Use of equipment (if used)
- Staffing
- Cleaning
- Wear and tear
- Maintenance

Dobcroft Junior School Staff who run clubs are paid additional hours to do so, thus the cost of this, alongside the other above costs is taken into consideration when calculating the price.

In the case of commercial providers, the charge to parents for after school activities is at their discretion. This charging policy will be reviewed every three years.

3. Arrivals and departures

The school is fully committed to the safety and security of all the children in its extracurricular clubs; therefore, several procedures are in place for when children arrive and leave the club.

Arrival and Registration:

- All providers or staff leading a club will collect a register from the school office at 3:30pm
- They will set up their club in a designated space of school
- They will take a register as soon as the pupils arrive.
- They will return the register to the ESC in the office by 3:45pm
- The ESC will then account for any missing pupils
- For clubs where pupils need to change (eg basketball) there is a designated classroom for boys and girls to change separately

Departure and Pick Up:

- Club leaders should ensure spaces are left clean and tidy and that all pupils have collected their belongings before leaving
- All pupils vacate the site via the carpark gate from the front playground
- A member of DJS staff will be on the gate with the club leaders to supervise
- It is the club leader's responsibility to ensure pupils vacate the site with the correct adult or take them to DASH (if appropriate)
- It is the responsibility of parents to inform school of the pick-up procedures for their child (complete or update the contact form)
- Pupils who have not been collected should be brought to the school office where the ESC will contact relevant adults or parents of the child.

Managing Pupil Behaviour

Pupils are expected to behave in line with our school behavior policy and as such it is the responsibility of all providers and leaders of clubs to read and follow our policy and implement it.

Dobcroft Junior School Values				
These values underpin our behavior policy and should be referred to whenever we discuss negative or positive behavior choices

Toilets

At times pupils may need to use the toilets. Club leaders are expected to ask pupils to visit the toilets before the club begins. If pupils do need to go to the toilet they should use the correct ones:

- Y3 pupils- year 3 toilets (off the Year 3 base)
- Y4 pupils- year 4 and 6 toilets off the computer suite/canopy
- Y5 pupils- year 5 toilets (off the year 3 base)
- Y6 pupils-year 4 and 6 toilets off the computer suite/canopy

Pupils are aware of this system as it replicates the system in school during the day. Pupils need to sign the toilet register after they have been given permission to go. They should go one at a time and not in pairs or groups.

First Aid and Medication

The ESC is advanced first aid trained. Any pupil requiring 1st aid should be sent to the office with another pupil to escort them. Pupils will receive first aid in line with our first aid policy.

The ESC will provide each club leader with the appropriate medication (eg inhalers) before the session if going off site. Inhalers will remain in children's classrooms and all other emergency medication will be stored in the school medical room. These will be returned to the ESC at the end of the session.

Fire safety

In the event of a fire our school fire evacuation system will be followed. All club leaders should note the evacuation procedure from the map in the room they are using. At the evacuation point the ESC will hand out registers in order to check all pupils and adults are present.

Safeguarding

All providers are expected to provide their own safeguarding policy with a named designated safeguarding lead. This policy is given to the DSL and checked for compliance. They are also given a copy of school's safeguarding policy at the beginning of each academic year (or when the club begins). All providers sign appendix 1 to confirm they have read and agree to the implementation of our policy. In the event of a cause for concern should complete a cause for concern sheet available from the school office.

This should then be handed to the ESC who will upload the concern to CPOMs where the DSL will be notified. Depending upon the nature of the cause for concern the ESC will alert the DSL immediately.

Parent Communication

Advertisement of clubs

Clubs are advertised on Parent Pay at the end of the term, ready for the following ter. Reminder communication is sent out reminding parents of when the clubs will "go live".

Please see section 2 regarding being on a waiting list for a club.

There is information regarding the clubs on the school website.

Pupil premium pupils

All pupils who are in receipt of pupil premium are offered one club per year free of charge. This is in the spring or summer term. Mrs Doyle and the extended school's coordinator communicate this offer to parents in the autumn term.

How to raise a concern about a club

If parents or carers wish to raise a concern about any of the after school clubs or about the allocation process they should email the headteacher- Nicola Sexton. headteacher@dobcroft-jun.sheffield.sch.uk
