Dear Parents and Carers,

Kelham Island Museum – Gears, Pulleys and Levers Workshop

We are pleased to inform you that we are planning an educational visit to **Kelham Island Museum**. This trip will support and enrich the children's learning in science.

During the visit, the children will take part in an interactive workshop focused on **gears, pulleys and levers**. The workshop is designed to enhance their understanding of key scientific concepts through **visual demonstrations and hands-on activities**, allowing them to explore how simple machines work in a practical and engaging way.

The cost of the workshop and coach is **£15.97** per pupil. This is a voluntary contribution and can be paid via your Parent Pay Account; payment will also act as consent for the trip. However, if we do not receive enough contributions to cover costs, unfortunately the trip will be cancelled. The deadline for consent and contributions is by **Friday 20th February**.

On the day of your child's class trip, they will need the following:

- a packed lunch
- a drink
- school uniform

Each class will be visiting the museum in the morning on the following dates:

27th February 2026 – **Y5P**

5th March 2026 – **Y5L**

10th March 2026 – **Y5CB**

We would be really grateful if there are any parents who are able to volunteer to supervise children throughout the trip. If you are able to accompany the trip, please get in touch with your child's class teacher via Dojo.

Kind regards,

Miss Pearson & the Year 5 team
