

School's Ethos and Vision

Dobcroft Junior School is a community where everyone belongs, feels safe and can flourish. By celebrating individuality, nurturing ambition and leading with kindness, we will equip children with the confidence, character and skills to achieve their full potential, succeed today and shape tomorrow, by proudly contributing to society.

**Our school motto is:
"Together We Make a Difference"**

This means that by all of us individually striving to live by the school values, we will collectively succeed in making a difference to our school community, local community and in turn wider society.

Our school values comprise:-

Together We Are Safe
Together We Are Kind
Together We Are Problem Solvers
Together We Embrace Difference
Together We Do Our Best

British Values

Our government believes that 'British society is founded on fundamental values and principles, which all those living in the UK should respect and support. These values are reflected in the responsibilities, rights and privileges of being a British citizen or permanent resident of the UK. They are based on history and traditions and are protected by law, customs and expectations. There is no place in British society for extremism or intolerance.' These British Values link greatly to our own Dobcroft values and are therefore integrated into our whole school teaching and learning. Below you are able to see how our own values relate directly to the British values of: democracy, rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.
