Dear Parents and Carers,

We are delighted to share the exciting news that, from Wednesday 1st July 2026, Dobcroft Junior School will officially become part of INOVA Multi-Academy Trust. This marks the beginning of a new chapter for our school and one that we believe will bring many opportunities for our pupils, staff and school communities.

At INOVA, we believe in the power of education to transform lives, and we are committed to supporting every school, colleague and child to thrive. We are incredibly proud to be welcoming Dobcroft Junior School into the Trust and look forward to working together to build on the many strengths that already exist within the school.

While Dobcroft Junior is joining a wider family of schools, it will continue to be the school that families know and value, with the same commitment to providing an excellent education, nurturing environment and strong community connections. Becoming part of INOVA will provide access to a wider network of expertise, collaboration and opportunities, while preserving the unique identity and ethos that make Dobcroft Junior School special.

Although we will formally celebrate this milestone with pupils and staff at the start of the new academic year, we are delighted to officially become part of the Trust from 1st July and begin this exciting new partnership.

We are excited about what the future holds and the opportunities this partnership will create for our pupils, colleagues and communities. We look forward to sharing more with you over the coming months as our school begins this new chapter.

Yours sincerely,

Nicola Sexton
