September 2026

Children's Sports Survey, September 2026

Dear Parents and Carers,

Welcome back to school! We have an action-packed year of sport and activity lined up for all of the children during the 2026-27 academic year.

We would like to find out more about the sports your children enjoy, what activities they participate in outside of school, and what clubs they would love to see offered during the school day. We also would like to know what could be improved to help all children enjoy sport and exercise, and continually assess how we can support every child in the school.

We endeavour to provide opportunities for every child to participate in a wide range of PE and sporting events.

Throughout the academic year, the school enters various competitions and events: friendlies, engagement, competition, league and cup. The information provided by you will help us collate lists of those children with an interest in attending any of these events, whilst also enabling all to increase their opportunities in Sport.

For more information about our ***Selection Policy for Dobcroft Junior School Sports Teams***, please visit the following webpage: https://spaces.schoolspider.co.uk/uploads/379/page/27503558_page_file.pdf?ofn=sports-team-selection-policy.pdf

With this in mind, please complete this short survey to enable us to help personalise your child's sporting journey during their time at Dobcroft Junior School. The survey can be found here:

This form will close at 9am on Monday 14th September 2026, as this will give me enough time to process and collate the information for future events.

Thank you for taking the time to share your feedback!

Yours in sport,

Mr Ross
