Dear Parents and Carers,

Dobcroft Junior School's **Wellbeing Workshops** are an opportunity for parents and carers to meet key staff and other professionals to discuss all aspects of their children's wellbeing.

At our last workshop, held in July, we welcomed a variety of professionals, including NHS Healthy Mind representatives, Family Support Workers and members from the Autism Team. It was a great opportunity to learn about how we all support children to have the best possible mental wellbeing, a chance to raise specific questions with visiting professionals and to share ideas.

We are always looking to make our events as helpful as possible and would welcome feedback from our families. Please take a few minutes to complete the link below.
